RE: Supplemental Staffing and Extension Request – Inmate Health Care

Dear Ms. Scott:

Correct Care Solutions (CCS), through our affiliated company Correctional Healthcare Companies (CHC), is proud to be the provider of medical services for the detainees in Jackson County Detention Center (JCDC).

Per discussion, we understand that the County and Corrections are in the process of finalizing a Request for Proposals (RFP) to incorporate the additional scope of care for arrestees previously processed through Kansas City Police Department (KCPD). We are thankful for the opportunity to propose a comprehensive, effective program to meet this scope and look forward to a long, productive partnership with Jackson County Corrections Department (JCCD).

CHC is amenable to a contract extension to ensure coverage throughout the conclusion of the RFP process. Until a new contract is entered encompassing the additional scope, CHC requests consideration of additional staffing in order to continue provision of healthcare to our patients in JCDC:

- 24 hours per week RN coverage (12-hour shift on Saturday and Sunday)
- 24 hours per week LPN coverage (12-hour day shift on Saturday and Sunday)

The cost of this supplemental coverage is \$7,400 per month, for a total base monthly amount of \$189,058.

	Monthly Cost
Current Contract Rate	\$181,658.00
Application of Supplemental Staffing	\$7,400.00
New Contract Rate effective February 1, 2016	\$189,058.00
