RE: ITB 24-069 Recommendation Asphalt Products and Services Term and Supply

Barbara,

Asphalt Products and Services bid has been received and scored by the selected individuals at Park + Rec and Public Works. The two bidders each bid select items with no overlap. Public Works and Parks + Rec is interested in seeing an award made to both of the Bidders to cover as many items as possible. We have used both of these contractors on our annual road program and as suppliers of materials for many years and recommend both of them. I have attached the quote sheets from each bidder showing the items to be awarded to each bidder.

Also, We would expect to spend up to \$3M with the Superior Bowen Contract and up to \$1.5M with the Vance Brothers Contract in the first 12 months of the contracts. These numbers include the PW and Parks + Rec spending.

Thank you for your consideration with the above recommendation.
