5 COMMUNICATIONS WITH AND REPORTS OF THE COUNTY EXECUTIVE

Frank White, Jr., County Executive, was not present.

Manuel Abarca IV, County Legislator, asked why the County Executive was not present. Caleb Clifford, Chief of Staff, explained that the County Executive's mother-in-law passed away and he was with family preparing for funeral services.

Mr. Abarca asked for an update on the budget. Troy Schulte, County Administrator, said Workday is live as of February 1, 2024. Departments are able to pay bills and submit transactions. Budget books will be available soon.

Mr. Abarca asked about the status of implementation of SB190. Whitney Miller, Chief Deputy County Counselor, said her office received a draft of frequently asked questions and staff was reviewing those. The County Counselor's Office has created a draft application which is currently under review to make sure it is within the boundaries of the law. Caleb Clifford said the goal is to have an application finalized by the end of the month. They will come back to the Legislature with a presentation on that process. There will likely be an ordinance needed to enact the language to implement the process for SB190. They will likely request the deadline for applications be pushed to July 31st from April to supply Jackson County residents with additional time to apply and for the application to be processed. This is a difficult and complicated legal issue. The County Counselor is working with the department to get something on Jackson County's website.

Mr. Abarca asked for an update on the appeal process. Mr. Schulte said as of today, there are 13,157 open appeals with 2,724 pending before the Board of Equalization. They have four and a half hearing officers working through 96 appeals a day. They hope to have the BOE restart hearings soon. Mr. Abarca said last year he requested a progress report regarding data on the accuracy of the reassessment as compared to the appeals. Mr. Schulte said he will try to have that report next week.

Mr. Abarca asked about the Compliance Department staff update. To his knowledge, additional staff have not yet been hired. Caleb Clifford said the County Executive has approved the additional positions. He is working with the Chair of the Legislature to move those items through the Human Resources Department. Troy Schulte said they are completing the paperwork.

DaRon McGee, County Legislator, asked for a follow-up on the Board of

Equalization. He said all legislators received a letter from the Board. He asked the name of the new Chairman of the Board and asked how the Administration responded to the letter. Mr. Schulte said there is discussion planned for closed session originally scheduled for today but will be deferred until next week. He indicated that one of the existing board members will fill the vacancy of the Chair. Mr. Schulte said he disagrees with some of the assumptions in the letter. Mr. Abarca asked if there is legal counsel for the BOE. Mr. Schulte said Ronald Jurgeson, the legal counsel for the Board resigned effective at the end of February. They are working to hire his replacement.

Sean E. Smith, County Legislator, asked about the SB190 and additional staff in the Collection Department for advocating for taxpayers. Mr. Schulte said those jobs have been posted and they are working on these issues. Applicants should apply through the HR Department.

Mr. Abarca again asked the County Counselor's Office why the Legislature approved a resolution regarding a landfill in Kansas City. Mr. Abarca then requested that his resolutions be drafted using the alternative language. Ms. Miller said the request is too late for the upcoming agenda but will be addressed for a later agenda.

Donna Peyton, County Legislator, said she wanted to clarify that she was not trying to run the meeting as Ms. Marshall implied, rather she was repeating what Mr. Smith said so everyone could hear.

Ms. Marshall thanked her for the clarification and said she is trying to be mindful of legislators talking over each other. The online captioning cannot catch all comments when legislators fail to take turns speaking.
