<b>Project/Title:</b>
Transferring \$111,400 within the American Rescue Plan Fund (050) and authorizing the Director of Finance and Purchasing to make additional payments to University Health/TMC for the provision of weekly COVID-19 testing for all unvaccinated associates of Jackson County and the 16th Circuit Court,

Request Summary
This resolution authorizes an additional \$111,400 from available American Rescue Plan funds for the purpose of reimbursing University Health/TMC for costs incurred by University Health vendor Sinochips for costs incurred for testing of unvaccinated associates of Jackson County and the 16th Circuit Court. Costs of \$50 per test for an average of 175 associates per week were incurred by the County for this weekly COVID-19 testing requirement. Mandatory testing for all unvaccinated associates ended the week ending March 18, 2022. A total of 5,728 tests were administered for unvaccinated associates of the County and 16th Circuit as well as inmates and associates at the Jackson County Detention Center and the juvenile detention center from September of 2021 through March of 2022 when Jackson County fell into the low COVID-19 transmission guidelines as recommended by the CDC. A total of \$286,400 has been spent for this testing requirement. Ordiances #5575 previously appropriated \$175,000 in County CARES funds for this effort. It is anticipated that weekly testing will resume when and if Jackson County moves back into the medium or high transmission rates as determined by the CDC
