Ashton Unger

Scoring Criteria	score each 1- 10	ABS	Lineage	OneSource	
1 Price		4	5	9	This score is purely off of price presented on the bid. No 10 as I am a little skeptical of the actual cost on the lowest bid
2 Availability/Convenience		6	8	6	Lineage scores higher purely out of location.
3 Product/Services		7	7	7	I assume all are similar in product and services
4 Timely Production		8	7	8	Lineage has had several issues with delivery. I assume some are not in their control and hope others may be better.
5 Clarity/Focus/Detail		6	8	6	This is based purely off of the scope delivered on the bid. Lineage as a prior vendor has knowledge the others do not.
6 Digital access to files		8	5	8	ABD and OneSource both offer direct digital solutions. Lineage can make documents available on request only.
