REQUEST SUMMARY	The Departments of Public Works requires Pavement Maintenance Services for 2014. The Sheriff's Department desires an additional parking lot at their new Headquarters building. Therefore, Public Works prepared plans and specifications, and Bid No. PW03-2014 to accomplish the work.  Eighty advertisements were direct mailed, an advertisement was posted once in the Daily Record and the bidding information was posted on "Public Purchase" Website. Two firms responded. A detailed bid tabulation is attached. A summary of the bids is as follows:
