**5. Installation.**

In order to access Lexis for Microsoft Office, Lexis for Microsoft Office must be installed on Subscriber's system via one of the following installation methods: (Subscriber to check its election(s) below.)

- Standard Implementation –**  
 In a Standard Installation, LN does not perform any installation services and LN's proprietary technology which allows enrichment of Subscriber's content is not installed behind Subscriber's firewall. In a standard implementation installation, Subscriber will not receive any transfer of tangible personal property, nor will there be any electronic transfer or software to the Subscriber in an Individual Desktop Installation. All standard installations will be implemented through electronic retrieval by Subscriber of the software that is hosted by the LN website. Subscriber will download the software from the LN website at an individual desktop level by individual users or on a network level by an IT administrator. By electing this option, Subscriber acknowledges and agrees that the Microsoft Word documents and Microsoft Outlook emails ("Subscriber's Work") that it selects to be analyzed by Lexis for Microsoft Office will momentarily leave its environment and will be sent to LN to be marked/tagged/indexed. LN represents and warrants that all such processing of Subscriber's Work will happen machine-to-machine, without human intervention (similar to a *lexis.com* search) and LN will not store, review, or retain Subscriber's Work beyond the time required for processing (i.e., LN will not store Subscriber's Work in any back up logs, server logs, etc.). There are no installation charges for this option and no separate integration services agreement.

In selecting this option, Subscriber must further define the method of deployment:

- Individual Desktop Installation - Lexis for Microsoft Office will be downloaded from the LN website on an individual desktop basis**
- Subscriber Network Installation - Lexis for Microsoft Office is downloaded from the LN website and Subscriber distributes the Software to multiple desktops or on an organization-wide basis**
- Installation for existing Lexis® Search Advantage Subscriber – If Subscriber currently subscribes to Lexis® Search Advantage, LN and Subscriber will execute a new Statement of Work to Subscriber's existing Lexis® Search Advantage Agreement to document the additional integration services that will be necessary to integrate Lexis for Microsoft Office and Lexis® Search Advantage within Subscriber's environment.**
- Custom Installation – In a custom installation, LN performs professional services work beyond providing instructions and general guidance for downloading Lexis for Microsoft Office. Professional services rendered by LN may include, but are not limited to, writing custom code to install Lexis for Microsoft Office within Subscriber's environment, installation services at Subscriber's site in order to download and install software on individual desktops and across the enterprise automatically, or specific effort to install the Lexis for Microsoft Office server version within the client environment. The custom installation may include electronic transmissions of computer software and electronic data retrieval of computer software.**

Custom installations may also include "load and leave" deliveries in which LN visits Subscriber's site, installs the software, then takes the physical medium away when finished. The nature of the services to be provided to Subscriber, the charges for the custom installation services, and the terms regarding the

services will be documented in a Statement of Work issued against a separate Master Integration Services Agreement to be executed by the parties. A custom installation will not include the transfer of tangible personal property or transfer of title to the Software.

**6. Miscellaneous.**

6.1 In the event of any conflict between the terms of this Order and the attached Exhibit A, the terms of this Order shall control.

6.2 Except as expressly modified by this Order, all other terms and conditions of the Agreement will remain in full force and effect and will be unaffected by this Order. In the event of a conflict or inconsistencies between the Agreement and this Order, this Order will control. The Agreement and this Order represent the entire agreement between the parties with respect to Lexis for Microsoft Office. All prior agreements, proposals, purchase orders, representations, promises or understandings, whether oral or in writing, concerning Lexis for Microsoft Office are superseded in their entirety by this Order.

LN's acceptance of the terms of this Order shall be evidenced by its signature below or by LN providing Subscriber access to Lexis for Microsoft Office.

Termination of the Order will not be an exclusive remedy and all other remedies will be available to either party whether or not the Order is terminated. In the event of termination, LN will refund any prepaid but unused fees to you on a pro-rata basis.

No approval, consent, or waiver under this EULA shall be enforceable unless set forth in a writing signed by an authorized representative of the granting party. A waiver of a default of any term of this EULA shall not be construed as a waiver of any succeeding default of that term or as a waiver of the term itself. A party's performance after the other party's default shall not be construed as a waiver of that default.
