Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. budget, a request for adequate funds to meet its obligation under this Agreement in full.

Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2023, and shall continue until December 31, 2023, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Should this Agreement terminate, all

County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

#### Community Infrastructure

**Other organizations in the community that provide the same or similar services as your organization.**

There are many area Community Mental Health Centers- Children's Mercy, Truman, Swope Health- that provide family therapy services. In 2021, Operation Breakthrough hosted a training cohort with area organizations who also serve children 0-5 in and their families. Agency providers were trained in Child-Parent Psychotherapy (CPP), the first cohort of this model in Jackson County. Additionally, we are the only agency that we are aware of that provides wraparound services to the whole family, children, youth, teens, parents and families, free of charge and in one location.

**Compare your programs and results to others working in the same field.**

Our model of wraparound, trauma-focused services aim to build reflective capacity for staff and clients while reducing the negative impact of social determinants of health on our families. We believe that the role of family therapy services is to support, empower, and respect parents and caregivers as the most impactful influences on their children's social-emotional wellbeing. When we support caregivers in meeting their families' basic needs, increasing protective factors in their lives and provide access to services, this improves health outcomes for children.

**List all partnerships you have with other organizations along with the nature of the partnership.**

We have a formal partnership with Children's Mercy Hospital, who also offers Child-Parent Psychotherapy and PCIT to referred families. We also have a partnership with MARC Headstart who we are able to refer clients for family therapy to their contract therapeutic providers when our internal caseloads are full.

**Provide program description:** We utilize a holistic, wraparound model to coordinate case management and mental health services for the family in order to mitigate the harmful impact of social inequities and traumatic experiences on our families' wellbeing. As a social service program embedded within an educational institution, our approach to services is that caring for the caregiver is the most effective way to care for the child. Family therapy focuses on trauma repair and processing within the family of origin and be a space where families can reestablish secure attachment bonds.

**Describe the benefits of this program to Jackson County Missouri:** Operation Breakthrough is proactively working to establish and strengthen protective factors at the earliest possible intervention stage to mitigate the long-term effects stemming from known risk factors and ACEs. Long-term benefits will help weaken cyclical patterns that often lead to intergenerational transmission of toxic stress.

**Describe target population to be served:** Operation Breakthrough serves some of the most vulnerable children and families in Kansas City. About 80% are African American and 76% live more than 50% below the federal poverty level, on incomes of less than \$1,000 a month. Although 65% of parents report working, only 50% had full-time employment; 36% were working part-time and 14% had seasonal employment; 10% were enrolled in school or jobtraining programs. Over 60% of parents have no education beyond high school or a GED certificate; only 4% have an Associate's or Bachelor's degree.

**What are the qualifications for participants:** All parents and/or caregivers of at-risk children enrolled at Operation Breakthrough are eligible to participate in preventative wrap-around family services.
