Attachment A: Federal Funds Subrecipient Requirements

1. In performing its responsibilities under the contract, the subrecipient shall fully comply with:
 - a. 2 CFR Chapter 1, Chapter II, Part 200, et al., Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards.
 - b. All applicable terms and conditions of the award.
 - c. All other applicable laws, regulations and policies authorizing or governing the use of any federal funds paid to the subrecipient under the contract.
2. The subrecipient shall not utilize federal funds, or any required matching funds, provided under the contract as matching funds for any other federal award, unless specifically allowed under that award.
3. Allowable Costs: Unless otherwise stated in this RFP, the subrecipient shall invoice the state agency based on actual, allowable costs incurred.
 - a. The subrecipient shall ensure all expenditures invoiced, claimed and/or reported satisfy the General provisions for allowable costs, as defined in the 2 CFR Chapter 1, Chapter II, Part 200, Subpart E- Cost Principles; and Specific provisions for allowable costs, as defined in applicable Federal program rules.
4. Indirect Cost Rates and Administrative Rates: In the event indirect costs and/or administrative rates are included as part of the cost reimbursement under the contract, the following will apply:
 - a. If a subrecipient has an approved federally negotiated indirect cost rate, the state agency will accept the approved indirect cost rate, unless doing so would conflict with federal statutes or an exception has been approved by the federal agency, based on documented justification. (2 CFR § 200.414) If a federal agency has approved a new or different rate subsequent to the beginning of a contract period and the effective date is retroactive, the change (increase or decrease) will not be recognized and accepted until the following contract period.
 - b. A rate of 10% of Modified Total Direct Costs (MTDC) will be used for those subrecipients that do not have a federally negotiated indirect rate (2 CFR § 200.414).
 - c. **Administrative costs** are defined as general administration and general expenses such as the director's office, accounting, personnel, library expenses and all other types of expenditures not listed specifically under one of the subcategories of "Facilities", (including cross allocations from other pools, where applicable). (US Dept. of Labor – Guide for Indirect Cost Rate Determination). Administrative costs can be categorized as both direct and indirect costs.

Administrative rates will vary by award, will be determined by the state agency, and will not exceed limits set forth by statute or regulations pertaining to each award. For example, some federal programs have statutory limitations on the % of dollars which may be expended for administrative costs. The state agency must abide by those statutory limits. Consequently, in contracts which include federal dollars with statutory limitations on administrative costs, the state agency will limit the use of award funds for administrative costs in accordance with the statutory requirements. In such instances, the state agency award will deem administrative costs (including administrative costs included in the indirect rate) unallowable to the extent that the costs exceed the statutory limits.
 - d. With regard to indirect cost rates and administrative rates, guidance and requirements noted in Part 2 CFR § 200, "does not change or modify any existing statute or guidance otherwise based on any existing statute...and does not supersede any existing or future authority under law or by executive order of the Federal Acquisition Regulation." Thus, for state agency programs where the specific federal award requirements define Administrative costs in such a manner that all Indirect costs are Administrative costs, the state agency cannot accept an indirect rate (regardless of whether it is federally negotiated or not) that exceeds the Administrative rate cap designated by the specific federal award.
5. Record/Document Requirements and Retention:
 - a. The subrecipient shall have written policies and procedures in place to ensure compliance with the terms, conditions, laws, and regulations in 2 CFR Chapter 1, Chapter II, Part 200, et al., Uniform Administrative

Requirements, Cost Principles, and Audit Requirements for Federal Award, and shall make its policies and procedures available to the state agency, upon request.

- b. The subrecipient shall maintain an accounting system that, at a minimum, records expenditures in a manner that readily identifies the expenditure as an activity allowable under the award and allows required federal financial reports to be easily prepared.
 - c. Instructions for Certification

1. By signing and submitting this proposal, the prospective recipient of Federal assistance funds is providing the certification as set out below.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department of Labor (DOL) may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. 7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may but is not required to check the List of Parties Excluded from Procurement or Nonprocurement Programs.

Such person shall also notify each such officer and employee that any such unauthorized further disclosure of returns or return information may also result in an award of civil damages against the officer or employee in an amount not less than \$1,000 with respect to each instance of unauthorized disclosure. These penalties are prescribed by IRC sections 7213 and 7431 and set forth at 26 CFR 301.6103(n)-1.
- 4.2.2 Each officer or employee of any person to whom returns or return information is or may be disclosed shall be notified in writing by such person that any return or return information made available in any format shall be used only for the purpose of carrying out the provisions of this contract. Information contained in such material shall be treated as confidential and shall not be divulged or made known in any manner to any person except as may be necessary in the performance of the contract. Inspection by or disclosure to anyone without an official need to know constitutes a criminal misdemeanor punishable upon conviction by a fine of as much as \$1,000 or imprisonment for as long as 1 year, or both, together with the costs of prosecution. Such person shall also notify each such officer and employee that any such unauthorized inspection or disclosure of returns or return information may also result in an award of civil damages against the officer or employee (United States for Federal employees) in an amount equal to the sum of the greater of \$1,000 for each act of unauthorized inspection or disclosure with respect to which such defendant is found liable or the sum of the actual damages sustained by the plaintiff as a result of such unauthorized inspection or disclosure plus in the case of a willful inspection or disclosure which is the result of gross negligence, punitive damages, plus the costs of the action. These penalties are prescribed by IRC section 7213A and 7431.
- 4.2.3 Additionally, it is incumbent upon the contractor to inform its officers and employees of the penalties for improper disclosure imposed by the Privacy Act of 1974, 5 U.S.C. 552a. Specifically, 5 U.S.C. 552a(i)(1), which is made applicable to contractors by 5 U.S.C. 552a(m)(1), provides that any officer or employee of a contractor, who by virtue of his/her employment or official position, has possession of or access to agency records which contain individually identifiable information, the disclosure of which is prohibited by the Privacy Act or regulations established thereunder, and who knowing that disclosure of the specific material is prohibited, willfully discloses the material in any manner to any person or agency not entitled to receive it, shall be guilty of a misdemeanor and fined not more than \$5,000.
- 4.2.4 Granting a contractor access to FTI must be preceded by certifying that each individual understands the agency's security policy and procedures for safeguarding IRS information. Contractors must maintain their authorization to access FTI through annual recertification. The initial certification and recertification must be documented and placed in the agency's files for review. As part of the certification and at least annually afterwards, contractors should be advised of the provisions of IRC Sections 7431, 7213 and 7213A (see Exhibit 6, IRC Sec. 7431 *Civil Damages for Unauthorized Disclosure of Returns and Return Information* and Exhibit 5, IRC Sec. 7213 *Unauthorized Disclosure of Information*). The training provided before the initial certification and annually thereafter must also cover the incident response policy and procedure for reporting unauthorized disclosures and data breaches. (See Section 10) For both the initial certification and the annual certification, the contractor should sign, either with ink or electronic signature, a confidentiality statement certifying their understanding of the security requirements.

4.3 **Inspection:**

- 4.3.1 The IRS and the Agency shall have the right to send its officers and employees into the offices and plants of the contractor for inspection of the facilities and operations provided for the performance of any work under this contract. On the basis of such inspection, specific measures may be required in cases where the contractor is found to be noncompliant with contract safeguards.
