

CONSULTING AGREEMENT

THIS AGREEMENT entered into this 5th day of March, 2016, by and between **JACKSON COUNTY, MISSOURI**, hereinafter referred to as "the County," and **REBBECA LAKE WOOD**, 2617 SW Wintergarden Drive, Lee's Summit, MO 64081, hereinafter referred to as "Consultant."

WHEREAS, on January 26, 2016, the Sixteenth Circuit Court appointed a new Public Administrator for a four-year term; and,

WHEREAS, in conjunction with this appointment, the Probate Division of the Sixteenth Circuit Court has ordered a final settlement of the accounts under the Public Administrator's control; and,

WHEREAS, Consultant has agreed to provide services to the Jackson County Public Administrator in accordance with the terms and conditions set forth in this Agreement; and,

WHEREAS, the Public Administrator recommends this Agreement with Consultant, the outgoing Public Administrator, to provide assistance in compliance with this order; and,

WHEREAS, Consultant and the County have agreed to be bound by the provisions hereof;

NOW THEREFORE, in consideration of the foregoing and the terms and provisions herein contained, the County and Consultant respectively agree as follows:

1. Services. Consultant shall review and execute final settlements on the estates within the Public Administrator's Office, identified on the document attached hereto as "Exhibit A," as ordered by the Probate Division of the Jackson County Circuit

Court. For completion of services under this Agreement, Consultant will have the use of a County-owned computer and will be allowed access to the relevant Public Administrator software to complete services under this Agreement. Consultant will not have the authority to change or enter data within said software.

2. **Independent Contractor.** Consultant shall work as an independent contractor and not as an employee of the County. Based upon her expertise and knowledge, Consultant shall be subject to the direction of the County only as to the type of services to be rendered and not as to the means and methods for accomplishing the result. Consultant shall report all earnings received hereunder as gross income and be responsible for her own Federal, State and Local withholding taxes and all other taxes, and operate her business independent of the business of the County, except as required by this Agreement, and may continue to conduct consulting work for other clients without prior consent of the County subject to the restriction on the receipt of County funds from more than one source.

3. **Support.** The County agrees to provide such technical supports as are necessary to ensure the completion of services contemplated under this Agreement including, but not limited to: 1) access to County employees to provide IT support for County hardware and software; 2) access to Public Administrator employees to provide data, documents, and information relating to settlements; and 3) provide copies of the orders approving the final settlement within a reasonable time after they are entered by the Court.

4. **Payment.** For services rendered under this Agreement, the County shall pay Consultant as follows: \$145.00 per hour for services rendered for the review and

approval for filing of each settlement in a total sum not to exceed \$35,000.00. Consultant shall be paid monthly upon receipt of Consultant's invoice. Consultant's invoice shall itemize all services performed during the month. The County shall pay such invoices in a timely manner. The first payment shall be due upon the submission of Consultant's first invoice and the execution of this Agreement.

5. **Expenses**. Other than those specifically identified in this Agreement, Consultant shall be responsible for her own expenses related to the services provided under this Agreement.

6. **Duration and Termination**. This Agreement shall commence as of February 29, 2016, and shall continue until all settlements have been filed and approved by the Probate Division of the Jackson County Circuit Court, no later than December 31, 2016.

7. **Assignment**. Consultant agrees, in addition to all other provisions herein, that she will not assign any portion or the whole of this Agreement without the prior written consent of the County.

8. **Confidentiality**. Consultant shall not communicate, divulge or utilize any confidential information concerning her activities, staff, volunteers, or other stakeholders, either during or after the term of the Agreement, other than in the course of performance of services pertaining to this Agreement.

9. **Remedies for Breach**. Consultant agrees to faithfully observe and perform all of the terms and conditions of this Agreement, and failure to do so shall represent and constitute a breach of this Agreement. In such event, Consultant consents and agrees as follows:

- (1) The County may terminate this Agreement by giving thirty (30) days' notice to Consultant; and,
- (2) The County shall be entitled to seek any available legal remedy and to collect from Consultant all costs incurred by the County as a result of said breach including reasonable attorney's fees, costs and expenses.

10. **Severability.** If any covenant and other provision of this Agreement is found to be invalid or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall nevertheless remain in full force and effect and no covenant or provision shall be deemed dependent upon any other covenant or provision unless otherwise expressly stated herein.

11. **Conflict of Interest.** Consultant warrants that no officer or employee of the County, whether elected or appointed, shall in any manner whatsoever have an interest in or receive any benefit from the profits emoluments of this Agreement.

12. **Employment of Unauthorized Aliens Prohibited.** Pursuant to §285.530.1, RSMo, Consultant assures that she does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, her enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Consultant shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that she does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

13. **Liability and Indemnification.** No party to this Agreement shall assume any liability for the acts of any other party to this Agreement, its officers, employees or agents and Consultant shall indemnify, defend and hold the County harmless from any

and all claims, liabilities, damages, costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Consultant, its officers, employees or agents during the performance of this Agreement.

14. **Incorporation.** This Agreement incorporates the entire understanding and agreement of the parties hereto.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on
this 5th day of March, 2016.

EXHIBIT B

WORK AUTHORIZATION AFFIDAVIT

As a condition for any service provided to the County, a business entity shall, by sworn affidavit and provision of documentation, affirm its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services.

Business entity, as defined in section 285.525, RSMo pertaining to section 285.530, RSMo, is any person or group of persons performing or engaging in any activity, enterprise, profession, or occupation for gain, benefit, advantage, or livelihood. The term "business entity" shall include but not be limited to self-employed individuals, partnerships, corporations, contractors, and subcontractors. The term "business entity" shall include any business entity that possesses a business permit, license, or tax certificate issued by the state, any business entity that is exempt by law from obtaining such a business permit, and any business entity that is operating unlawfully without such a business permit.

Every such business entity shall complete the following affidavit affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services. The completed affidavit must be returned as a part of the contract documentation.

This affidavit affirms that **Rebecca Lake Wood** is a self-employed individual with no employees, and thus falls outside the definition of 'business entity' contained in section 285.525(1), RSMo.

In affirmation thereof, the facts stated above are true and correct. (The undersigned understands that false statements made in this filing are subject to the penalties provided under section 575.040, RSMo.)
