The HMMWV would be used by members of the Sheriff's Office Emergency Response Team, for various missions. The HMMWV would also be used for natural disaster rescue, and other weather related missions. The HMMWV would also be used for public relations. The up armored HMMWV would be used in emergency situations when an officer is down and is in danger and or going into a dangerous situation where weapons are involved. The up armored HMMWV would also benefit the Sheriff Office while they were conducting SWAT operations in the urban area of Jackson County where the MRAP could not go.

3. Positive impact of this resource on any other region or jurisdiction beyond the requesting agency that may also be impacted. Indicate whether the requested controlled equipment is being acquired to provide a regional or multijurisdictional capability. The requesting LEA must certify that all LEA's in the regional sharing arrangement have adopted requisite protocols to include general policing standards, specific controlled equipment standards, and record keeping requirements or will adopt those protocols before their personal use of controlled equipment.

The HMMWV would be available upon request from outside agencies, to assist them with various missions like SWAT, natural disaster rescue and weather related missions. The up armored HMMWV would provided additional armor for the Officers while conducting SWAT missions in the urban area of Jackson County where the MRAP would have a hard time maneuvering. Only trained Jackson County Sheriff personnel will operate the HMMWV and the up armored HMMWV if it is requested to support other agencies.

Yes

Yes, 1 MRAP, 1 REVA, 4 HMMWV

10. Type of controlled equipment requested: (quantity, size, and capability)

1 HMMWV and 1 Up Armored HMMWV

11. Has a grant or request for any controlled equipment been approved by the Department of Justice, Department of Homeland Security, or any other Federal agency? Has any prior application for controlled equipment been denied by a Federal agency during the past three years, and, if so, provide the reason for denial?

No

12. Does the agency have the fiscal wherewithal to support the operation of the resource being requested? Describe the amount of funding and how it is provided. (Parts, tools, diagnostic equipment, etc.).

Deputy Miller,

This e-mail is in reference to the HMMWV request that was denied by DLA. It has just recently been determined that the HMMWV that your requesting from Osage Co is not considered an UAH anymore. If your Sheriff is still interested in this HMMWV, please contact me so we can update your Vehicle Application and get you this HMMWV.
