Re: Bid No. 24-096 Trash Services

Mr. Konon,

The Department of Public Works, Facilities Management Division recommends Waste Management as the best and lowest bidders to supply Trash Services as listed in the Invitation to Bid No. 24-096.

This recommendation is based on important factors including the high quality of service that Waste Management has provided the County over the past 20+ years. The company knows where all of our dumpsters are located and how to access them, they are familiar with our needs and requirements. They also communicate on a high level when there are issues with pick-ups, such as inclement weather, obstacles blocking dumpsters, or a need to re-schedule pick-ups.

It is for these reasons that Facilities Management recommends awarding Bid No. 24-096 to Waste Management as the best, and most cost-effective option.

The Facilities Management division has estimated an annual spending amount of \$30,000.00 for this contract. If you have any questions, please feel free to contact me.

Regards,

Robert Rives
Deputy Director of Facilities Management

Re: ITB No. 24-96 Recommendation Memo

Parks + Rec requires trash removal services for various locations throughout the park system. The Purchasing Department issued ITB No. 24-96, Trash Services to meet those needs. 003-1609-56460 \$ 5,000
