Rifle Substitutions

Will the department allow substitutions for the rifles and triggers being requested if they meet or exceed specifications and standards, alongside spec sheets and additional data? Thank you,

Trade-in's

CRAIG SIRNA, May 02, 2026 3:45 AM CDT

How old are the trade-in rifles? Any idea on round Count? If awarded the bid and I pay for shipping can someone box them and ship them to my FFL address? Is there a chance of a couple of pictures to show the average condition?

Insurance

CRAIG SIRNA, May 14, 2026 5:09 AM CDT

What kind of insurance policy do you need and what limit's?

Douglas Trahern, May 14, 2026 8:32 AM CDT

Craig, please see page 5 of Attachment B in the Public Files section. It is titled Exhibit A, Insurance and will give our requirements for the insurance policy. Thank you

Insurance

CRAIG SIRNA, May 25, 2026 4:04 AM CDT

Exactly what Insurance is needed? You have insurance listed for things that do not pertain to selling an item that is inanimate. Worker comp, liability etc?

Douglas Trahern, May 26, 2026 8:18 AM CDT

Craig, here are the requirements for insurance: Contractor shall procure and maintain in effect throughout this duration of the contract insurance coverages not less than the types and amounts

specified in this section. If due to the nature of the goods and/or services provided by the contractor are such that they may be excluded from coverage listed below, an addendum shall be made to the contract requesting coverage and limits required (Professional Liability, Work on bodies of water, Garage or tow services, Liquor liability are some examples). All subcontractors of the contractor are required to carry the same coverages and limits as the contractor. All Liability policies required are to be written on an "occurrence" basis unless an agreement, in writing, is made with Jackson County.

1. **COMMERCIAL GENERAL LIABILITY** Commercial General Liability Insurance: with limits of not less than \$1,000,000 per occurrence and \$2,000,000 Annual Aggregate (both General and Products-Completed Operations). Aggregate shall be on a "per project" basis where more than one project is to be performed by the contractor under this contract. Policy shall include Severability of Interests coverage applying to Additional Insureds and also include Contractual Liability with no limitation endorsements. Policy shall include \$100,000 limit each occurrence for Damage to Rented Premises, \$1,000,000 limit each occurrence for Personal & Advertising injury liability, \$5,000 Medical Expense (any one person), and Employee Benefits Liability coverage with a \$1,000,000 limit.

2. **COMMERCIAL AUTOMOBILE LIABILITY** Commercial Automobile Liability Insurance: with a limit not less than \$1,000,000 Combined Single Limit for Bodily Injury and Property Damage Limit (each accident), covering owned, hired, borrowed, and non owned vehicles. Coverage shall be provided on a "any auto" basis and be on a Commercial Business Auto form, or acceptable equivalent, and will protect against claims arising out of the operation of motor vehicles in connection with this contract.

3. **WORKERS COMPENSATION AND EMPLOYERS' LIABILITY COVERAGE** Contractor shall provide coverage for Workers Compensation and Employers Liability for all claims by employees of the contractor or by anyone for whose acts it may be liable under the statutes of the State of Missouri with limits of: -Workers Compensation Statutory -Employers Liability \$500,000 each accident \$500,000 Disease-each employee \$500,000 Disease-Policy limit

4. **EXCESS/UMBRELLA LIABILITY COVERAGE** Contractor shall provide Excess/Umbrella liability, on an occurrence basis, with \$10,000 Retention, to provide coverage limits over all liability coverages listed above, at a limit not less than \$1,000,000 each occurrence and \$1,000,000 Aggregate.

5. **ADDITIONAL INSURED & CERTIFICATE OF INSURANCE** The Commercial General and Automobile Liability Insurance specified above shall provide that Jackson County Missouri and its agencies, officials, officers, and employees, while acting within the scope of their authority, will be named as additional insured for the services performed under this contract. A Certificate of Insurance shall be filed with the County's Director of Finance and Purchasing within 10 calendar days of the date when requested or before commencement of the work that are acceptable to the Director that the insurance requirements have been satisfied. Should any of the required insurances be cancelled before the expiration date, a notice shall be filed with the County's Director of Finance and Purchasing in accordance with policy provisions. In the case of multi-year, renewable, or extended term on the contract; Contractor must supply the Director with current Certificate(s) on any coverage mentioned above within Thirty (30) days prior to the expiration date of coverage(s). The Director of Finance and Purchasing may request copies of the Contractor's insurance policies for verification of coverage(s).

6. **QUALIFICATIONS INSURANCE CARRIERS** All insurance coverage must be written by companies that have an A. M. Best's rating of "B+ V" or better or Lloyd's of London and are licensed and approved by the State of Missouri to do business in Missouri.

7. **FAILURE TO MAINTAIN INSURANCE COVERAGE** Regardless of any approval by Jackson County, it is the

responsibility of the contractor to maintain the required insurance coverage in force at all times; its failure to do so will not relieve it of any contractual obligation or responsibility. In the event of Contractor's failure to maintain the required insurance in effect, Jackson County may order Contractor to stop work immediately and, upon 10 days notice and an opportunity to cure, may pursue its remedies for breach of this contract as provided for herein and by law.
