

COOPERATIVE AGREEMENT

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **MATTIE RHODES CENTER 1740 JEFFERSON KANSAS CITY, MO 64108**, hereinafter referred to as "Organization".

WHEREAS, the County and Organization desire to enter into an Agreement to provide funding to be used for NE Youth Engagement; and,

WHEREAS, the County deems it to be in the best interest of its citizenry to support such programs and activities; and,

The term of this contract is January 1, 2018, through December 31, 2018, and as such, all expenditures must occur within this period. The budget Organization submitted as part of Exhibit A is considered final and non-changeable. If Organization encounters unforeseen circumstances that require a change to Organization's budget, Organization shall submit a written request of line item changes limited to contractual services and supplies and a narrative explaining the

circumstances to the Jackson County Legislative Auditor's Office no later than October 31, 2018. The Jackson County Legislature must authorize any changes to the budget. Any changes approved by the Legislature will not take effect until your agency receives written notification from the Jackson County Legislative Auditor's Office.

2. **Terms Of Payment.** The County agrees to pay Organization the total amount of **\$35,000.00** in quarterly installments of **\$8,750.00**, with the payment for the first and second quarters to be made upon execution of this Agreement. The remaining payments shall be made upon the County's receipt of the quarterly reports as set forth in paragraph 3 hereof. The County reserves the right to audit all invoices and to reject any invoice for good cause. The County retains the right to deduct from an invoice of Organization any overpayment made by the County on a prior invoice. The County retains the right to make invoice corrections/changes. The report for the first and second quarters shall be submitted within 30 days after the execution of this Agreement. The last quarter's report shall include an annual report which shall summarize all of Organization's activities pursuant to this Agreement.

Organization's failure to submit this annual report shall disqualify Organization from future funding by the County. Organization must submit quarterly reconciliation reports in the format specified by the County before the next quarterly payment will be processed. Any quarterly reports that are incomplete or incorrect will delay payment.

Organization must notify the County in writing on Organization's letterhead, within five working days of the following changes:

- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage
- d. Management or staff responsible for providing services pursuant to this contract

If Organization has previously received funding from the County, to be eligible for future payments, Organization must submit either an audited financial statement for Organization's most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Any documents described herein which were submitted to the Department of Finance and

Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity**. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants for employment and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. Organization agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the policies of non-discrimination.

B. 6. **Employment Of Unauthorized Aliens Prohibited**. Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri

Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the

event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest**. Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability**. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other

covenant or provision unless so expressed herein.

12. **Indemnification**. Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance**. Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum

of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2018, and shall continue until December 31, 2018, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

What time period does this program run: All Year

Provide program description: The NE Youth Engagement provides recreational and intervention services for 400 low-income youth in Western Jackson County, enhancing safety and well-being. Funds will be used to support the youth development staff who deliver these direct services. The project includes protective after school programs and in-school crisis intervention, in which staff social workers help reduce violence by providing crisis intervention, counseling, and case management to students in need. Youth programming provides violence and substance abuse prevention through the federally recognized evidence-based Too Good for Violence, a school-based violence prevention and character education program designed to improve student behavior and minimize aggression.. Students received academic support, extracurricular activities, and a comprehensive system of care designed to enhance personal and academic lives. Students also learn constructive resolution practices, including how to de-escalate tension. Programming also includes outreach and events which increase awareness/knowledge about violence prevention. Children and youth in Northeast Kansas City live in some of the most intense areas of violent crime in the metro area, yet have strikingly few other after school and in-school violence preventative services. Mattie Rhodes Center is the primary organization in the Northeast which continues to provide these services to children.

Describe the benefits of this program to Jackson County Missouri: Youth development programs held during critical out-of-school hours, increase protective factors related to juvenile crime and substance abuse and help our county and community flourish. The overall goal of the program is to reduce violence through prevention/intervention. Through regular evaluation of programs, MRC has found that participation in agency sponsored prevention and intervention services allows youth to succeed in academic and life experiences through positive adult mentoring, structured learning, and consistent encouragement. Among the benefits of the program to Jackson County, Missouri are that youth experience greater educational achievements, have greater motivation and aspirations for future education, are more civically active, have significantly lower drug, cigarette, and alcohol use, are more likely to exercise and be physically active, and report better grades and higher levels of academic competence.

Describe target population to be served: The Northeast is characterized by a highly diverse population with low socio-economic status, low educational attainment and a high crime rate. Additionally, the Indian Mound and Scarritt Renaissance neighborhoods within the greater Northeast (both targeted by this program) area are home to the majority of the neighborhood's youth population. Based on the 2010 US Census, 74% are racial minorities and 30% of the residents were foreign born, compared to 4% in the state. Statistics show that residents of the community that hold less than a high school diploma or GED have on average a median earnings of \$18,182 per year. 94% of the children in area schools are eligible for Free/Reduced Lunch. The 2016 Annual Report of the Police Department reveals that the East Patrol Division of the Department (which patrols the Northeast) is plagued by violent crime. The report states that 142 of 544 sex offenses, 3992 of 13319 assault offenses, and 52 of 132 homicides in Kansas City, Missouri occurred within the East Patrol Division. Put another way, a mere 17% of the population in this division commits 26%, 20%, and 39% respectively of the total crimes in the city. According to the Scarritt Renaissance Community's Neighborhood Now Quality of Life Plan, the neighborhood is experiencing a rise in gang-related activity and property crime. Residents partially attribute the increase in crime to a lack of activities for youth. Intervention and support is needed for these children to slow the continuous cycle of poverty.
