**THIS AGREEMENT**, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **FOOTPRINTS INC 2017 E LINWOOD BLVD KANSAS CITY, MO 64109**, hereinafter referred to as "Organization".

County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. #### Community Infrastructure

**Other organizations in the community that provide the same or similar services as your organization.**

No other organization in Jackson County provides the level of comprehensive case management and wrap-around care provided by Footprints, particularly for the currently homeless and those exiting the justice system. By providing individualized care and counseling in addition to housing, Footprints is able to address the whole person and give its clients the best chance at achieving stability and security moving forward.

**Compare your programs and results to others working in the same field.**

Housing is a key social determinant of health. According to HealthAffairs.org, "being without a stable home is detrimental to one's health. People who are chronically homeless face substantially higher morbidity in terms of both physical and mental health and of increased mortality." In addition, many of those experiencing homelessness face barriers to permanent housing including mental illness and substance use disorder. Similarly, for those exiting the criminal justice system, transitional support is vital to enable them to reintegrate into society.

**List all partnerships you have with other organizations along with the nature of the partnership.**

Footprints partners with many other agencies including: Jackson County Department of Corrections Missouri Departments of Probation & Parole Referral partner for reentry of ex-offenders Christian Fellowship Baptist Church: funding and referral partner, Center for Conflict Resolution - referral partner, Drug Court, Prosecutors office, Halfway houses, Catholic Charities Dave's Place, Veterans Administration

**What time period does this program run:** All Year

**Provide program description:** Footprints requests support for its transitional housing, wrap-around services, and substance use recovery programs. Jackson County Outside Agency Funding will allow Footprints to expand its comprehensive treatment services. Funds will be used to renovate a second house for homeless men (expanding capacity by up to 10 beds), increase staff capacity in case management and mental health professionals (including Licensed Professional Counselors), and maintain the vehicles used to transport clients to appointments and employment.

**Describe the benefits of this program to Jackson County Missouri:** Footprints will reduce crime, homelessness, and harm related to substance use in Jackson County. In 2022, there were 1582 homeless people in Jackson County and 682 transitional housing beds. This program will create 10 new beds and add 2 case managers and 3 counselors, enabling clients to be safely housed while addressing mental health, substance use disorder, and other barriers to housing. Jackson County has one of the highest incarceration rates in MO. Increased staff capacity will allow us to support clients during re-entry and prevent recidivism by providing resources and education.

**Describe target population to be served:** This program serves two primary populations - those exiting the criminal justice system and homeless individuals with substance use and mental health challenges. Both populations require comprehensive care, including case management and professional counseling services to overcome these challenges and achieve a healthy and productive life. Footprints comprehensive approach has enabled more than 70% of its Veteran clients (in a separate program) to achieve permanent housing since 2010. This funding will enable Footprints to extend these services to more people in Jackson County.

**What are the qualifications for participants:** Participants in the transitional housing program must be currently unhoused. While most of Footprints' clients for substance use recovery, case management, and mental health services are referred by the criminal justice system, there are no specific qualifications for those services other than the client's stated needs. Anyone struggling with substance use disorder or in need of counseling may request and receive services, regardless of their ability to pay.

**Check if your services are available to anyone:** Yes

**How do you maintain a database of participants:** Caseworthy and COMBAT

**Number of participants from Jackson County:** 500

**Number of participants from Other Areas:** 0

**Total Number of participants:** 500

**Identify the community need for your organization's program and services in Jackson County.**

In the 2022 Point In Time study, a need for additional shelter space, for mental health treatment capacity and for help getting documents and coordinating care was identified. Footprints' model of case management, housing first approach and comprehensive treatment of the individual addresses these needs. For individuals exiting the prison system, Footprints' has demonstrated that comprehensive care and community reduce recidivism and give individuals the ability to improve their lives.
