

**AGREEMENT**  
**(Housing Resources Commission)**

**THIS AGREEMENT**, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, acting by and through its **Housing Resources Commission**, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **RECONCILIATION SERVICES, 3101 TROOST, AVENUE KANSAS CITY, MO 64109**, hereinafter referred to as "Contractor".

**WHEREAS**, on June 4, 1991, the voters of Jackson County authorized the County Legislature to impose a \$3.00 user fee on all instruments recorded with the County's Department of Records, the proceeds of which fee is to be used to provide funds for assistance to homeless persons; and,

**WHEREAS**, the County actually imposed said fee by Ordinance No. 1986, dated June 10, 1991; and,

**WHEREAS**, by Ordinance No. 2030, dated September 3, 1991, the Legislature created the Housing Resources Commission and designated said Commission as the agency of the County responsible for determining the allocation and distribution of the proceeds of the user fee; and,

**WHEREAS**, the Commission has reviewed Contractor's proposal for the expenditure of County user fee funds for the purpose of providing assistance to homeless persons in Jackson County; and,

**WHEREAS**, the Commission has determined that it is in the best interests of the County's citizens to provide funding to Contractor according to the terms and conditions

hereof;

**NOW, THEREFORE**, it is agreed by and between the parties as follows:

1. **SERVICES**. Contractor shall use the proceeds of this Agreement solely for the purpose of providing assistance to homeless persons in Jackson County, Missouri. Contractor agrees to use the funds as set out on the Housing Resources Commission Funding Request Form, attached hereto as Exhibit A. The budget Organization submitted as part of Exhibit A is considered final and non-changeable. If Organization encounters unforeseen circumstances that require a change to Organization's budget, Organization shall submit a written request to the Housing Resources Commission no later than October 28, 2016. Any changes to the budget must be approved by the Jackson County Legislature.

2. **TERMS OF PAYMENT**. The County shall pay to Contractor a total amount not to exceed \$12,000.00 for the purpose of providing assistance to homeless persons in Jackson County, Missouri. One quarter of this sum, or \$3,000.00, shall be paid to Contractor on a quarterly basis for the periods ending March 31, 2016, June 30, 2016, September 30, 2016, and December 31, 2016, upon receipt of Contractor's invoice and supporting documentation, provided that Contractor has submitted to the County the report(s) required under Paragraph 3 and Paragraph 5 hereof. Each quarter's payment will be issued after Contractor has submitted the required invoices and supporting documentation for reimbursement. The County reserves the right to audit all invoices and to reject any invoice for good cause. The County retains the right to deduct from an invoice of Organization any overpayment made by the County on a

prior invoice. The County retains the right to make invoice corrections/changes. The County will not reimburse sales tax expense.

3. REPORTS/OTHER DOCUMENTATION. Under this Agreement, Contractor shall submit appropriate reports, including copies of invoices and cancelled checks and/or a copy of the face of the check and corresponding bank statements and other documentation, as requested by the Housing Resources Commission staff to show that funds paid to Contractor by the County are being used for the purpose of providing assistance to homeless persons in Jackson County, Missouri. If the reports submitted do not satisfactorily demonstrate appropriate expenditures of County funds, payments are subject to downward adjustment to reflect the amounts actually spent on allowable services provided during the previous quarter. The final request for payment shall include a Quarterly Report and an Annual Report, which shall set out the program objectives and accomplishments, and a final reconciliation of funds. Section 67.1071, R.S.Mo., specifically requires the Annual Report to include "statistics on the number of persons served by the agency, and shall include the results of an independent audit of expenditures of funds received by Contractor pursuant to this Agreement. Failure to submit said reports, including the Annual Report, shall result in the loss of future funding by the County.

Organization must notify the County in writing on Organization's letterhead, within five working days of the following changes:

- a. Organization name, address, telephone number, administration, or board of directors
- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage
- d. Management or staff responsible for providing services pursuant to this contract

- e. Any proposed or actual merger or acquisition either taken by the Organization or toward the Organization

4. **MAINTENANCE OF ACCOUNTS.** The parties recognize that this funding by the County serves to improve the quality and effectiveness of homelessness programs in Jackson County, Missouri. It is, therefore, declared as the express intent of the parties that the services to be rendered hereunder shall be in addition to those deemed necessary and required to maintain the efficient and effective operation of Contractor in its normal duties, and that none of the funds paid by the County pursuant to this Agreement shall serve to reduce any funds budgeted, or to be budgeted, by Contractor for operations as they exist at the time of this Agreement. Contractor shall not commingle the County's funds and shall keep funds received under this Agreement separate from all other Contractor funds and accounts until expended as herein provided.

5. **SUBMISSION OF DOCUMENTS.** No payment shall be made under this Agreement unless Contractor shall have submitted to the County's Director of Finance and Purchasing: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Contractor's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Contractor's total budget for its most recent fiscal year; and (4) a detailed explanation of actual expenditures of the County's funds (pertains to final payments and payments on contracts for future years). If Contractor has previously received funding from the County, to be eligible for future payments, Contractor must submit either an audited financial statement for Contractor's most-recent fiscal or calendar year, or a certified public accountant's program audit of

the County's funds. Any documents described herein which were submitted to the Director of Finance and Purchasing as a part of an application for funding need not be resubmitted to qualify for payment. No payment shall be made if Contractor is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Contractor and assessed by the County.

6. **EQUAL OPPORTUNITY**. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants are employed and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. 7. **EMPLOYMENT OF UNAUTHORIZED ALIENS PROHIBITED.** Pursuant to §285.530.1, RSMo, Contractor assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Contractor shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

8. **AUDIT.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Contractor pertaining to its finances and operations. Further, Contractor agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

9. **DEFAULT.** If Contractor shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Contractor, the County shall give Contractor ten days written notice, setting forth the default. If said default shall continue and not be corrected by Contractor within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Contractor. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

10. **APPROPRIATION OF FUNDS**. Contractor and the County recognize that the County intends to satisfy its financial obligation to Contractor hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Contractor of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

- a. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.
- b. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

11. **CONFLICT OF INTEREST**. Contractor warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

12. **SEVERABILITY.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

13. **INDEMNIFICATION.** Contractor shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Contractor during the performance of this Agreement.

14. **INSURANCE.** Organization shall maintain the following insurance coverage during the term of this Agreement.

A. Organization shall maintain Commercial General Bodily Injury and Property Damage Liability insurance, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

B. Organization shall maintain, if any motor vehicles are used in the performance of the Services, Commercial General Bodily Injury and Property Damage Liability insurance, and Automobile Liability insurance including owned, non-owned, or hired vehicles, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

15. **TERM.** The term of this Agreement shall commence January 1, 2016, and shall continue until December 31, 2016, unless sooner terminated pursuant to paragraph 9, 16, or 20 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

16. **TERMINATION.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

17. **STANDARD OF CARE.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and

- A. The County may, without prior notice to Contractor, immediately terminate this Agreement; and
- B. The County shall be entitled to collect from Contractor all payments made by the County to Contractor for which Contractor has not yet rendered services in accordance with this Agreement, and to collect

The parties recognize that all books, records, accounts, and any other documents in the possession of the County relative to the funding of this Agreement, are public records and open for inspection and photocopying in accordance with Chapter 610, R.S.Mo.

27. **DISCONTINUANCE OF PROGRAM.** In the event Contractor should elect to discontinue this program, or file for bankruptcy, or participate in a reorganization, or go out of existence, or should a court of competent jurisdiction render a final decision in any way invalidating this Agreement or its purposes, Contractor shall remit any proceeds of this Agreement as are unexpended to the County.

# Section C 2016 Program Information

Agency Name: Reconciliation Services

Program: Emergency Services

Primary Program Type

Assistance Type

Is this program sustainable without Jackson County's funding.

YES

NO

Detail the main objective of the program.

Reconciliation Services offers a tested template for community healing, overcoming barriers to stable housing and emergency needs for the most vulnerable in Jackson County, MO who are unable to find help elsewhere. The RS continuum of care includes: Emergency Services (focusing on rapid rehousing and overcoming barriers to housing stability), Self-Sufficiency Programming and Economic Community Building. Individuals coming to RS are guided through our intake process to move from emergency to greater self-sufficiency in a relationally supportive and culturally competent environment. In this environment, trauma informed care is essential as well. Our program aims to reach those who are unable to be helped in other programs for a variety of reasons. We therefore concentrate on housing and helping those among the most difficult to reach in Jackson County (for example: chronic inebriate homeless, those without IDs, those with mental illness and trauma).

Reconciliation Services' Emergency Services Program helps the poorest of the poor who have not found resources from other agencies in Jackson County to discover their strengths. In 2015 we served over 2,600+ unduplicated individuals. The Emergency Services Program addresses not only immediate housing needs but six core components essential to maintaining housing: 1) Loaves & Fishes emergency pantry; 2) Friday Night Community Meals; 3) Case Management, wherein caring Case Managers work with individuals to develop customized treatment plans and accomplish goals with special attention to housing needs; (4) Rent/Utilities Assistance; (5) Housing search/placement and Material Assistance and; (6) RS Medicine Cabinet.

Professional Case Management is available to all who use the RS pantry, who gather for Friday Night Meals or who come to RS from our community partners for our other programs. Case managers work with our guests to develop long-term solutions and to reveal their strengths.

RS Emergency Services program is a gateway to other important RS activities that promote self-sufficiency and economic community building. Our RS Internet Café makes computers available and offers digital literacy classes as well as a forum for our partners to offer their courses to our clients in need. Partners like Legal Aid and Swope have offered workshops in the RS Cafe including renter's rights, bed bug prevention/treatment strategies and healthy eating with food pantry food. The RS Document Assistance program is also a bridge between emergency services and self-sufficiency and helps individuals acquire birth certificates, state ID and other documents required for public assistance, such as food stamps, housing and employment.

How does your program measure success? Over what period of time?

Clinical measures are used to track client progress and program effectiveness. Case managers use Maac Link to track client progress and network with other community providers to coordinate care. Further, we call up to 10% of brief case management clients within 30 days of service to assess the effectiveness of the service and to see if further assistance is required.

Clients who access rent and utility assistance are required to participate in the 90-day case management program and to work on goals that reveal their strengths and help overcome barriers to self-sufficiency and housing. Some clients, like those who we provide case management for through the Shelter+Care program, have long-term relationships with RS case managers in order to maintain housing vouchers.

Outcomes are measured daily and weekly by tracking client interactions using the MAACLink and through internal accounting procedures. The Emergency Services Manager submits monthly and periodic reports to the Executive Director and the Board of Directors.

As is recognized by many professionals in our field of work, "success" is difficult to measure as many clients have multiple layers of trauma, struggle with mental illness, addiction and other complicating factors. Ultimately success is helping our clients reveal their own strengths to become more self-sufficient and find the dignity and solutions they need to thrive.
