The health department continues to offer weekly COVID-19 testing and vaccination — jacohd.org/events. Metro vaccine sites are available at vaccinatekc.org. [Click here](#) to view the KCMO COVID-19 Dashboard for more vaccination and case rate information.

Response Notes

Total Cases in April: 350. Cases May 1-12: 76. 7-day case rate per 100k decreased from 26.5 (week: 4/23) to 19.5 (week: 4/30).

The health department is offering the **bivalent (updated) COVID-19 boosters** to those aged **6+ months** at our clinic. These updated vaccines are tailored to fight the BA.4 and BA.5 omicron variants, which make up almost all new cases in the US. [Click here](#) to learn more!

Residents, community members, & partners can visit <https://jacohd.org/masks/#section1> or call JACOHD at (816) 404-6416 to find the nearest location where masks & free rapid tests are available.

*CDC vaccination data is percent of total population in Jackson County (includes KCMO and Independence). 10/31/22 vaccination data for EJC only: 63.71% First Dose Only, 59.48% Completed, 7.97% Received Bivalent Booster.
