IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

AN ORDINANCE enacting section 2057., Jackson County Code, 1984, relating to a property tax credit to eligible taxpayers within Jackson County, Missouri, in accordance with the Revised Statutes of Missouri §137.1050 (SB190), with an effective date.

ORDINANCE NO. 5774, August 7, 2023

INTRODUCED BY Sean Smith, County Legislator

WHEREAS, the Missouri General Assembly enacted Senate Bill 190, codified at Section 137.1050 RSMo, legislation modifying provisions related to real property taxation of senior citizens; and,

WHEREAS, Governor Michael Parson signed Senate Bill 190 into law on July 6, 2023, with an effective date of August 28, 2023; and,

WHEREAS, eligible Jackson County taxpayers cannot benefit from tax credits authorized under said state law without enactment by this Legislature of an ordinance authorizing such credits in accord with Section 137.1050.2(1) RSMo; and,

WHEREAS, as now recognized by the Missouri State Legislature, current property tax law and processes create considerable negative effects for senior citizens of Missouri and Jackson County, including financial hardship, potential

for foreclosures and evictions; and,

WHEREAS, current opportunities for tax credits offered to senior citizens in Jackson County are insufficient to offset the rising taxes caused by increasing property values; and,

WHEREAS it is the responsibility of this Legislature to address the growing concerns of inequitable taxing practices; now therefore,

BE IT ORDAINED by the County Legislature of Jackson County, Missouri, as follows:

Section A. Enacting Clause.

Section 2057., Jackson County Code, 1984, is hereby enacted to read as follows:

2057. Senior Homestead Tax Credit

The Jackson County Legislature, acting under authority granted by Section 137.1050.2(1) RSMo, does hereby authorize for the tax years commencing with 2023 and thereafter, that Jackson County taxpayers eligible under Section 137.1050 RSMo shall receive a real property tax credit in the amount determined by said law.

2057.1 Eligible Taxpayer.

An eligible taxpayer is defined in Section 137.1050.1 RSMo as a Jackson County resident who meets all of the following required criteria: (1) is eligible for Social Security retirement benefits; (2) is an owner of record of a homestead, defined as real property actually occupied by an eligible taxpayer as the taxpayer's primary residence, or has a legal or equitable interest in said homestead as evidenced by a written instrument; and (3) is liable for the payment of real property taxes on said homestead.

2057.2 Amount of Tax Credit, How Calculated.

The amount of property tax credit to be granted to each eligible taxpayer each year commencing with the tax year 2023 shall be determined by the following equation, in accord with Section 137.1050.1(1) RSMo: an eligible taxpayer's real property tax liability on such taxpayer's homestead for a given tax year, minus the real property tax liability on such homestead in 2022 or in the year that the taxpayer became eligible to apply for the credit.

2057.3 Proportionality of Tax Per Levying Jurisdiction.

Such credit shall be applied proportionately to all taxing jurisdictions to which Jackson County distributes real property taxes it collects based upon the

taxing jurisdictions' corresponding levy rates. The credits granted shall reduce the amounts those jurisdictions would otherwise receive from Jackson County.

2057.4 Duty to Seek Restitution from the State of Missouri.

The County Counselor and the County-retained lobbyist are to diligently seek restitution of all credit amounts issued due to this abatement from the State of Missouri, in accordance with Article X, Section 6 of the Missouri Constitution. At such time as the lawful restitution of the credit amount is received from the State of Missouri, the County shall disburse those funds to the taxing jurisdictions affected by the credit.

2057.5 Provisional Eligibility for 2023.

For purposes of property tax bills with a due date of December 31, 2023 the County Collector shall determine that any residential real property (a) occupied an individual who is an owner-occupant of the property and (b) has a birth date on or before December 31, 1961, both as evidenced by combining of data from the assessment roll with data from the Jackson County and Kansas City Election Board, shall be deemed "provisionally eligible" and such amounts as are prescribed by law credited to their property tax bill before such bill shall be mailed. Such provisional eligibility shall be derived by comparing first and last name and property address from

the Jackson County assessment records with the first and last name and address as found in the voter roll for either of the aforementioned election authorities. Only one resident must be born before December 31, 1961, for the parcel to be considered provisionally eligible.

2057.6 Verification of Provisional Eligibility for Year 2023.

Taxpayers deemed provisionally eligible will be required to verify their eligibility with Jackson County in a form to be proscribed by the Department of Collections and approved by the County Counselor.

2057.7 Verification of Eligibility for Those Not Deemed Provisionally Eligible for Year 2023.

Between the enacting of this ordinance and October 18, 2024, eligible taxpayers whose homestead may not be in their own name or for other reasons may not have been deemed provisionally eligible shall complete an affidavit indicating their date of birth is before December 31, 1961, and the address and parcel number of their homestead property including attestation that they will not apply for a homestead credit for any other location. Such attestation shall also serve to provide provisional eligibility for those taxpayers whose homesteads are listed on assessment records in a name that does not correspond to their own or that may have been otherwise omitted from the previous paragraph determining provisional eligibility.

(Example: a trust created by a family for their primary residence on which they intend to claim a homestead exemption.)

2057.8 Proof of Eligibility for Year 2024 and After.

Beginning January 4, 2024, all taxpayers wishing to claim a homestead credit, shall be required to submit an affidavit affirming their date of birth, Social Security eligibility, their primary residence. Taxpayers will provide supporting documentation of such eligibility such as but not limited to a statement of Social Security benefits, proof of receipt of SSI or SSDI payments or similar document provided by the Social Security Administration to verify eligibility.

2057.9 Consequence of False Claim of Eligibility.

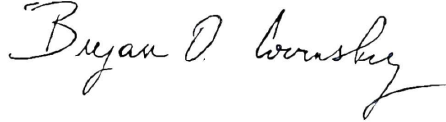

Should a taxpayer be determined to have falsely claimed eligibility under the provisions set forth above, the property shall be removed from the homestead credit program and person falsely claiming shall be referred to the Jackson County prosecutor for investigation of any potential criminal conduct.

Section B. Effective Date

This Ordinance, once adopted, shall be effective as of August 28, 2023.

Effective Date: This ordinance shall be effective on its specified date and upon its signature by the County Executive.

Project/Title:

An ordinance issuing property tax credits to eligible taxpayers within Jackson County Missouri.

Request Summary

Missouri Legislature passed Senate Bill 190, legislation modifying provisions related to taxation of senior citizens, and eligible taxpayers cannot benefit from such tax credits without the action of this Legislature.

The state of Missouri has recognized the inequitable repercussions increasing property taxes have on senior citizens with fixed income.

It is the responsibility of this Legislature to address the growing concerns of inequitable taxing practices.

Eligible taxpayers are defined as Jackson County residents who meet each of the following requirements; 1) residents must be eligible for Social Security retirement benefits; 2) residents must be the owner of record of a homestead OR have a legal equitable interest in said homestead; and, 3) residents must be liable for the payment of real property taxes on said homestead.

The amount of property tax credit to be issued to each eligible taxpayer will be determined by the following equation: the amount of real property tax liability on said homestead in a given year minus the amount of real property tax liability in the year the resident became an eligible taxpayer. This calculation shall be applied when determining the eligible taxpayer's property tax liability for the tax year .

Current property tax law and processes create considerable negative effects on the senior citizens of Jackson County, including financial hardship, potential for foreclosures and evictions.

Current opportunities for tax credits offered to senior citizens in Jackson County are not enough to offset the increasing property assessments.

The Jackson County Legislature does hereby authorize for the Tax Year 2023 and 2024 that taxpayers eligible under RsMO 137.050 may apply for and receive an exemption from increase property tax liability due on such senior citizens' primary residence.

Jackson County Detention Center

Office of the Jackson County Sheriff
Sheriff Darryl Forté

TO: Keith Allen-Sr. Buyer
FROM: Deloris Wells, Deputy Director of Administration
SUBJECT: Recommendation Memo 23-034 Auto, Truck, Motorcycle Maintenance & Repair
DATE: July 21, 2023

Mr. Allen,

It is estimated that the Jackson County Sheriff's Office, Detention Center will spend approximately \$16,000.00, annually on routine vehicle maintenance, body work and tire repair. We recommend the award be split between Metro Ford Inc, AAMCO Blue Springs, Outlaw Harley Davidson and Midway Ford Truck Center.

It is imperative that we have multiple options for repairs due to the need to have vehicles repaired timely. These shops have provided a listing of services at a very competitive rate. We believe these companies will repair our vehicles as a top priority. We also have a unique need for motorcycle repair at JCSO. It is important to have a vendor included that can repair motorcycles as well.

From: Rick Gerla, Facilities Management Administrator

To: Keith Allen, Senior Buyer, Purchasing Department

Date: 7/21/2023

Subject: Bid 23-034 – Auto, Truck and Motorcycle Parts & Service, Term and Supply Contract Recommendation

Keith,

This memorandum is being prepared and submitted in response to your request for feedback regarding the above contract being awarded by Jackson County for Auto, Truck and Motorcycle Parts & Service on a Term and Supply basis.

The Facilities Division would like to recommend moving forward with Metro Ford Inc. and Greg's Tire Center, vendors who applied for this contract. Their competitive pricing and experience with both municipal and private customers around Jackson County led me to recommend both vendors. Annual spend will be around \$5,000 for the FMD division.

Thank you,

RE: Recommendation Memo ITB No. 23-034

Please consider ITB No. 23-034 Auto, Truck and Motorcycle Parts & Repair Services be a split award between multiple vendors for this category. One single vendor does not accommodate all of the needs of our department. After review of the competitive prices, combined with the age of our vehicle fleet which contributes to frequent downtime that may occur during the Medical Examiner's 24/7 coverage for Jackson County, our department will need multiple options to have vehicles repaired in a timely manner.

Specifically, we recommend award to:

- Metro Ford
- Midway Ford
- KC Wholesale
- Greg's Tire Center
- AAMCO
- Bird Automotive

The Medical Examiner's Office anticipates spending approximately \$15,000 over the next 12 months. If you have any questions, please feel free to call me at (816) 881-6595.

MEMORANDUM

TO: Keith Allen, Senior Buyer, Purchasing

FROM: John Johnson, Superintendent Park Operations

DATE: July 20, 2023

SUBJECT: T/S Contract: ITB No. 23-034 Auto & Truck Maintenance & Repair

The Parks + Rec department recommends the split award to multiple vendors for this category, as one single vendor does not accommodate all of the needs of the department. Having multiple vendor options helps in decreasing downtime for equipment during peak park season or during inclement winter weather.

Specifically, we recommend award to:

- Metro Ford
- KC Wholesale
- Midway Ford
- Greg's Tire & Automotive

These four vendors have provided quality service and parts as previous term and supply vendors. Parks anticipates spending \$120,000 over the next twelve months.

Thank you.

DATE: July 19, 2023

SUBJECT: Recommendation for Vendors: AAMCO Blue Springs, Bird Automotive of Blue Springs, Glenn's Tire & Automotive Inc, KC Wholesale, Metro Ford Inc, Midway Ford Truck Center Inc, & Outlaw Harley-Davidson

Please consider bid No. 23-034 Auto, Truck and Motorcycle Parts & Repair Services be split and awarded to AAMCO Blue Springs, Bird Automotive of Blue Springs, Glenn's Tire & Automotive Inc, KC Wholesale, Metro Ford Inc, Midway Ford Truck Center Inc, & Outlaw Harley-Davidson.

One single vendor does not accommodate every service needed for County equipment. Also, one vendor may have a cheaper price than the other for certain parts and/or services.

It is estimated that Road & Bridge Public Works could spend approximately \$75,000.00 annually between these 7 vendors.

For the reasons above, it has been requested that bid No. 23-034 Auto, Truck and Motorcycle Parts & Repair Services be split and awarded to AAMCO Blue Springs, Bird Automotive of Blue Springs, Glenn's Tire & Automotive Inc, KC Wholesale, Metro Ford Inc, Midway Ford Truck Center Inc, & Outlaw Harley-Davidson.

RE: Recommendation Memo 23-034 – Auto, Truck and Motorcycle Parts & Repair Services
Date: June 29, 2023

The Sheriff's Office has an ongoing need for vendors to provide auto, truck and motorcycle parts and repair services. We have reviewed the bids submitted by AAMCO Blue Springs, Bird Automotive of Blue Springs, Glenn's Tire & Automotive Inc., KC Wholesale, Metro Ford Inc., Midway Ford Truck Center Inc., and Outlaw Harley Davidson. We recommend awarding a split contract to the following entities as their pricing and services will meet our array of needs:

- Bird Automotive of Blue Springs
- Metro Ford Inc.
- Midway Ford Truck Center Inc.
- Outlaw Harley Davidson

The Sheriff's Office will spend approximately \$328,900 annually using this contract.

Subject: Bid 23-034- Auto, Truck and Motorcycle Parts & Repair Services

Keith,

This memorandum is being prepared and submitted in response to your request for feedback regarding the above contract being awarded by Jackson County for Metro Ford Inc. on a Term and Supply basis.

The Drug Task Force would like to recommend moving forward with Metro Ford Inc., a vendor who applied for this contract. Metro Ford Inc. has been in service for many years covering a wide variety of vehicles that meet our needs. Their competitive pricing and vehicle maintenance led me to recommend them. Annual spend would be around \$10,000.00 for vehicle maintenance.

Thank you,

IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

A RESOLUTION requesting, on behalf of all Jackson County residential property taxpayers, that the Board of Equalization review the assessment process for legal defects and deficiencies and equalize property valuations subsequent to such an inquiry.

RESOLUTION NO. 21360, August 7, 2023

INTRODUCED BY Sean Smith, County Legislator

WHEREAS, the Legislature has observed substantial difficulties in the Jackson County 2023 reassessment process that have resulted in over 40,000 Appeals; and,

WHEREAS, it is widely understood that the volume of errors associated with the Jackson County 2023 reassessment cannot be readily enumerated; and,

WHEREAS, members of the Legislature have heard evidence that the available appeal methods of assessed values were not easily and universally accessible to all Jackson County taxpayers; and,

WHEREAS, the ability of Jackson County to set a proper and lawful levy rate relies upon having reasonable and reliable values for all properties within Jackson County Missouri, but the volume of outstanding appeals cannot be resolved in time for the Jackson County Legislature to accurately set the levy rate; and,

WHEREAS, the County Executive has failed to correct errors in the assessment process; and,

WHEREAS, the Board of Equalization is the authority to correct the errors in the assessment process and has a duty to do so; and,

WHEREAS, Missouri State statute sets out the Board of Equalization authority to "hear complaints and equalize the valuation and assessments upon all real and tangible personal property taxable by the county so that all the property shall be entered on the tax book at its true value." §138.030.2, RSMo.; and,

WHEREAS, the Missouri Supreme Court has held that a county Board of Equalization has the full power and duty under this statute to issue orders raising and lowering valuations across property classifications to effect intra-county equalization. See *May Dept. Stores Company v. State Tax Commission, et al.*, 308 S.W. 2d 748, at 759 (Mo. 1958); and,

WHEREAS, the Missouri Supreme Court has affirmed the power of a board of equalization to issue county-wide equalization orders numerous times. In *State ex rel Stone v. Christian County Bank*, 234 Mo. 194 (Mo. 1911); and,

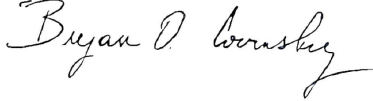

WHEREAS, the Jackson County's Board of Equalization is well within its statutory

and judicially proscribed authority to issue a single order setting the valuations of the Jackson County Office of the Assessor at a flat percentage increase above 2021 valuations where it believes the 2023 assessment had failed to reflect true market value; now therefore,

BE IT RESOLVED that the Jackson County Legislature does hereby formally and affirmatively request that the Board of Equalization review and equalize the market valuation of all residential real property which was calculated and distributed to taxpayers during the 2023 reassessment process.

Effective Date: This Resolution shall be effective immediately upon its passage by a majority of the Legislature.

A RESOLUTION expressing the intent of the Legislature to enact a property tax credit under Senate Bill 190 to provide property tax relief to County senior citizens.

RESOLUTION NO. 21362, August 7, 2023

INTRODUCED BY Jeanie Lauer and Jalen Anderson, County Legislators

WHEREAS, the Missouri legislature passed, and, on July 6, 2023, the Governor signed Senate Bill 190 (SB 190), to be codified as Section 137.1050, RSMo; and,

WHEREAS, under SB 190, certain eligible taxpayers can receive a property tax credit; and,

WHEREAS, certain implementation issues within SB 190 have been identified, which may be clarified through judicial or legislative action next year; and,

WHEREAS, there currently exists no central data bank of potentially eligible taxpayers, nor is there a process in place to collect, verify or receive such information; and,

WHEREAS, the implementation of SB 190 by the Jackson County Collections Department will require additional software and personnel, and will take several months; and,

WHEREAS, SB 190 becomes effective August 28, 2023, and there is not sufficient time to implement the additional computer software and personnel necessary before tax bills are issued in 2023; and,

WHEREAS, implementation of SB 190 before the law has been clarified could lead to clawbacks of property tax credits against taxpayers and to uncertainty in taxing jurisdictions budgets and operations; and,

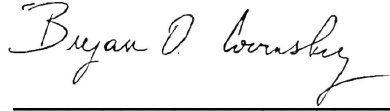

WHEREAS, the Jackson County Legislature by Resolution 21323 expressed its unwavering support of providing property tax relief to Jackson County senior citizens, and still supports SB 190's intent; and,

WHEREAS, due to the foregoing considerations the Jackson County Legislature intends to consider an ordinance authorizing the property tax credit under SB 190 in the spring of 2024, which will provide sufficient time to implement SB 190 for the 2024 tax bills and allow for the necessary judicial or legislative clarification to have occurred; now therefore,

BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that the Legislature does hereby express its intent to recommend and ordinance enacting the property tax relief contemplated by SB 190 in the spring of 2024.

Effective Date: This Resolution shall be effective immediately upon its passage by a majority of the Legislature.
