

IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

AN ORDINANCE submitting to the qualified voters of Jackson County, Missouri, at a special election to be held on April 2, 2024, a question authorizing Jackson County to impose a countywide sales tax of three-eighths of one percent for a period of forty years for the purpose of retaining the Kansas City Royals and Kansas City Chiefs sports teams in Jackson County, Missouri.

ORDINANCE NO. 5822, December 18, 2023

INTRODUCED BY DaRon McGee, County Legislator

WHEREAS, the Kansas City Royals Baseball Club, LLC and the Kansas City Chiefs Football Club, Inc. are County and area-wide assets that have made and will continue to make significant contributions to the economic well-being and quality of life in Jackson County and the Kansas City metropolitan area; and,

WHEREAS, these major league teams have been tenants at Kauffman and Arrowhead Stadiums in the County's Harry S. Truman Sports Complex since the early 1970s; and,

WHEREAS, improvements to and modernization of Arrowhead Stadium for the Chiefs, and development of a new Major League Baseball stadium for the Royals at a location in Jackson County which is acceptable to the County, are necessary to ensure that each of these stadiums are in nationally competitive physical condition in the marketplace of professional sports, for the foreseeable future; and,

WHEREAS, in order to achieve a development plan to make the stadiums nationally competitive and to guarantee the teams' continued presence in Jackson County for the long term, representatives of the teams, the Jackson County Sports Complex Authority, and the County have been working diligently to negotiate and develop a plan for funding the construction of, and improvements and additions to, the existing Arrowhead Stadium for the Chiefs, and to a new Major League Baseball stadium for the Royals in Jackson County, Missouri, at a site acceptable to the County; and,

WHEREAS, as an express condition of negotiating possible financial support of the stadiums, Jackson County, Missouri, requires and is negotiating (a) a lease and development agreement with the Chiefs which incorporates the terms and conditions under which the Chiefs will develop, renovate, furnish, equip, repair, maintain, operate, and occupy Arrowhead Stadium and its surrounds, (b) a lease and development agreement with the Royals which incorporates the terms and conditions under which the Royals will develop, furnish, equip, repair, maintain, operate, and occupy a new Major League Baseball stadium; and,

WHEREAS, the Jackson County Legislature supports and encourages the development of one or more community benefits agreements with the Chiefs and the Royals which set forth the terms and conditions under which the teams will financially support and engage in programming designed to create opportunities that will serve and advance the interests and vitality of, among others, the residents, economies, and communities of Jackson County; and,

WHEREAS, subject to the foregoing express conditions, Jackson County, Missouri, has determined that stadium park improvement funding utilizing a countywide sales tax at the rate of three-eighths of one percent ($3/8\%$) for a period of forty years from the date first imposed is appropriate and the most effective means of funding the stadiums; and,

WHEREAS, bond counsel has advised that the County cannot use the statutory authority of the existing sales tax to develop and improve the stadium parks because this proposed effort includes two separate projects. Instead, bond counsel has recommended an alternate statutory authority to implement the public purposes achieved by developing and improving the stadium parks and retaining the Chiefs and the Royals in Jackson County; and,

WHEREAS, the commitment from the Chiefs and Royals to forego Park Property tax proceeds could result in an estimated \$140 million in additional funds available to the County during the term of the Royals new lease and the extended term of the Chiefs lease; and,

WHEREAS, existing lease agreements with the Chiefs and the Royals require the County to pay insurance costs associated with the stadiums, and the teams have committed to pay for insurance coverages at their respective facilities for the duration of the Royals new lease and the extended term of the Chiefs lease; and,

WHEREAS, the County has projected hundreds of millions of dollars in future cost savings resulting from the Chiefs and Royals agreement to pay such insurance costs; and,

WHEREAS, the County has determined that, subject to the teams agreeing to enter into lease and development agreements, a new sales tax under the alternate statutory authority to commence upon the expiration or termination of the existing sales tax and to continue for a period of 40 years, for stadium park improvements to retain the Chiefs and the Royals in the County for the long term is in the best interests of the health, welfare and safety of the citizens of Jackson County; now therefore,

BE IT ORDAINED by the County Legislature of Jackson County, Missouri, as follows:

Section 1. Contingent upon the Chiefs and Royals agreeing to enter into lease agreements and development agreements acceptable to the County, subject to plans of development, improvement and construction of Arrowhead Stadium and a new Major League Baseball stadium at a location in Jackson County acceptable to the County, and further subject to approval by the voters of the County, the levy of a sales tax in the amount of three-eighths (3/8) of one cent (.375%), is hereby authorized for and within Jackson County, Missouri.

Section 2. The current tax levy, as approved by voters on April 4, 2006, will expire on September 30, 2031. Subject to the approval of the voters of the County, the new levy

will begin upon the date first imposed and continue for a term of 40 years, inclusive of the duration of the proposed lease with the Chiefs which governs the Chiefs' long-term use, repair, maintenance, operation, and occupancy of Arrowhead Stadium, and the duration of the proposed lease with the Royals which governs the Royals' long-term use, repair, maintenance, operation, and occupancy of a new Major League Baseball stadium in Jackson County, at a location acceptable by the County.

A RESOLUTION expressing support for payment of prevailing wages for all workers involved in the Jackson County Detention Center Construction Project located in Kansas City, Missouri.

RESOLUTION NO. 21508, January 8, 2024

INTRODUCED BY DaRon McGee, County Legislator

WHEREAS, it is the Legislature's understanding that a question exists as to whether or not workers at a batch plant on the site involved in construction work for the Detention Center are to be paid prevailing wages; and,

WHEREAS, the site of the batch plant is adjacent to the site of the building construction for the new Detention Center, and was constructed just as the Project was commencing; and,

WHEREAS, it is unclear whether or not prevailing wage would be required to be paid to these workers under state law; and,

WHEREAS, the prior County Legislature involved in early discussions of this Project appear to have intended for all workers involved in the project to be paid prevailing wage; and,

WHEREAS, it is in the interest of the County to ensure workers on this project be paid a living wage and benefits that prevailing wage provides; and,

WHEREAS, a concern exists on the part of some that requiring those workers to be paid prevailing wage may increase the costs; and

WHEREAS, this Legislative body was asked to provide clarity and confirm the intent of the Legislature regarding payment of prevailing wages to all workers involved in the construction of the Detention Center Project; now therefore,

BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that the Legislature expresses its support to require payment of prevailing wages on a non-precedential setting basis for all workers involved in construction work on the Detention Center Project, including workers at the batch plant.

Effective Date: This Resolution shall be effective immediately upon its passage by a majority of the Legislature.
