9. Trademarks. During the term of this Agreement (and thereafter, for historical purposes), Law Enforcement Agency grants Virtual Academy a limited, non-exclusive license to use Law Enforcement Agency's trademarks, as designated in writing by Law Enforcement Agency, solely for the purpose of fulfilling

Virtual Academy's obligations and exercising Virtual Academy's rights hereunder.

10. Assignment. Law Enforcement Agency may not assign this Agreement, or any of its rights or obligations hereunder, in whole or in part, by operation of law or otherwise, without the express written consent of Virtual Academy, which Virtual Academy may withhold in its sole discretion.

11. Compensation. Law Enforcement Agency shall pay to Virtual Academy the amounts on the schedule set forth on the Cover Page.

12. Payment Terms. Payment is due upon receipt of invoice. Law Enforcement Agency and Virtual Academy hereby agree that:

a. Late payments are subject to an interest charge of 1 1/2% per month, or the maximum rate permitted by law, if lower.

b. If Virtual Academy incurs costs in collecting overdue invoices, Law Enforcement Agency is responsible for collection costs including reasonable attorneys' and/or collection fees.

c. Law Enforcement Agency may not reduce or offset any amounts due to Virtual Academy.

d. Acceptance of partial payment from Law Enforcement Agency by Virtual Academy does not waive the right to collect the full amount due.

13. Responsibilities of Law Enforcement Agency. Law Enforcement Agency agrees to perform the following:

a. Law Enforcement Agency will provide to Virtual Academy a list of enrolled officers and officer identification as is needed for Virtual Academy to perform its obligations under this Agreement. The list provided by Law Enforcement Agency will reflect officers enrolled as of the first day of implementation and will be provided to Virtual Academy a minimum of five (5) days prior to the initiation of implementation.

b. Law Enforcement Agency will arrange and provide for a qualified officer to administer and oversee Law Enforcement Agency's use and implementation of the TMS, courseware, instructional materials, software, source code and the Solutions in connection with the training. d. Law Enforcement Agency warrants that it has policies and procedures in place to comply with, and will comply with, all applicable federal, state, and local laws and regulations with respect to the training. Without limiting the foregoing, Law Enforcement Agency will be responsible for compliance with all applicable state accrediting agency requirements and state law authorizations and requirements.

e. Law Enforcement Agency will provide such other reasonable administrative support for the implementation and functioning of the TMS and the Solutions not otherwise specifically set forth in this Agreement as being the responsibility of Virtual Academy.

f. Law Enforcement Agency will make reasonable efforts to prevent unauthorized access to the TMS, courseware, instructional materials, software or source code and to maintain confidentiality of login information used by officers and instructors to access the TMS, courseware, instructional materials, software or source code.

g. Any additional responsibilities of Virtual Academy and Law Enforcement Agency with respect to the Solutions shall be mutually agreed in writing.

14. Term. The term of this Agreement will commence on the Effective Date and continue in effect thereafter, unless terminated earlier as provided herein, for one (1) years. Notwithstanding the foregoing, unless Virtual Academy or Law Enforcement Agency provides written notice of its intent not to renew at least sixty (60) days prior to the end of the applicable term, this Agreement shall renew for an additional (1) year term or as otherwise negotiated.

15. Termination for Breach. In the event of a material breach of this Agreement, the non-breaching party may terminate this Agreement upon provision of thirty (30) days' written notice to the breaching party, provided that such breach has not been cured within said period. If Virtual Academy terminates this Agreement due to Law Enforcement Agency's failure to make adequate or timely payment, all Solutions may be terminated at Virtual Academy's option. In the event of termination following such breach, Virtual Academy may, at its option, (a) charge a reinstatement fee to reinstate support Solutions; or (b) decline to reinstate support Solutions until breach is cured. In addition, either party may terminate this Agreement, effective immediately upon notice, if the other party files for bankruptcy protection, is determined to be bankrupt or insolvent or enters into any bankruptcy or insolvency proceeding, except that Virtual Academy shall continue to provide courses still in session in accordance with the terms of this Agreement to the extent legally permitted to do so.

16. Effect of Termination. Virtual Academy also agrees that in case of termination by either party, it will make reasonable efforts to protect officer data, subject to the terms of this Agreement. Notwithstanding anything herein to the contrary, as of the date that is twelve (12) months following any expiration or

termination of this Agreement, officer data may be destroyed at the discretion of Virtual Academy. Upon the expiration or any termination of this Agreement the following Sections shall survive: 5, 6, 7, 8, 9, 11; 12; 17; 18; 20 and 21.

17. Limitation of Liability. Excluding a party's fulfillment of its indemnification obligations hereunder, neither party shall be liable or responsible to the other party for any indirect, special, punitive, incidental, or consequential damages in connection with or arising out of this Agreement, even if that party has been advised of the possibility of such damages or it is otherwise foreseeable. Virtual Academy's total liability to Law Enforcement Agency for damages, costs, losses, or expenses relating to this Agreement is limited to the fees paid or owed by Law Enforcement Agency with respect to previous year.

18. Force Majeure. Virtual Academy warrants that it shall use commercially reasonable efforts to maintain Solutions and protect data. Virtual Academy shall not be liable for any failure to perform its obligations where such failure is a result of acts of nature (including fire, flood, earthquake, storm, hurricane or other natural disaster), war, invasion, act of foreign enemies, hostilities (whether war is declared or not), civil war, rebellion, revolution, insurrection, military or usurped power or confiscation, terrorist activities, nationalization, government sanction, blockage, embargo, labor dispute, strike, lockout, interruption or failure of electricity, telephone, or internet service.

19. Mediation and Arbitration. Any controversy between the parties to this Agreement involving the construction or application of any of the terms, provisions, or conditions of this Agreement shall, on written request of either party served on the other, be submitted first to mediation and then if still unresolved to mediation. Said mediation shall comply with and be governed by the provisions of the American Arbitration Association for Commercial Disputes.

20. Governing Law. This Agreement is governed by the laws of the State of Missouri. Legal action arising from this Agreement shall only be filed in the State of Missouri. The parties waive any right to a jury trial.

21. Legal and Regulatory Changes. If any law or regulation governing this Agreement, the Solution or the training changes such that any aspect of this Agreement, the Solution or any training as then provided does not comply with such law or regulation, the Parties shall amend this Agreement solely to the extent necessary to comply with such law or regulation.

22. Entire Agreement. This Agreement contains the entire Agreement between the parties and supersedes all prior agreements.

23. Amendment. No amendment, modification, termination or waiver of any provision of this Agreement is effective unless it is in writing and signed by both parties.

24. Severability. If a court declares any part of this Agreement void or unenforceable, the remaining terms and provisions shall remain in force.

25. Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original but all of which taken together shall constitute one and the same agreement, and shall become effective when one or more counterparts have been signed by each of the parties and delivered to the other party.

26. The Department agrees to complete the classes required by the grant for compliance. Failure to complete the required classes will result in the department incurring the cost associated to the grant.

Bullet points:

- Trial experience:
 - 3 first chair jury trials in the office:
 - 2 defense verdicts (Sec 1983 Constitutional Violation + Employment Discrimination)
 - Other case, punitive damage award set aside by the Judge after briefing and hearing for JNOV
 - Bench trial experience in the office:
 - 2nd chair in federal court on a 1983 Constitutional Violation
 - Probate court, Involuntary Commitment cases
 - Of course, as a former PD, I've handled several other trials.
- Guidance to Younger Attorneys:
 - Assisted younger attorneys in trial and with other matters in the office
 - Federal court bench trial was second-chairing Tamika (her first trial)
 - Assisting Steven in handling the Delinquent Land Tax dockets:
 - Introducing him to judges,
 - Sitting with him in meetings,
 - Showing him how to prep witnesses to testify,
 - Handling dockets for him so he can observe how to handle the dockets
 - Answering all his questions (he emails and visits with me frequently)
- Teamwork:
 - Several occasions where I was a team player, however, some recent examples are:
 - IE with Tamika's trial, she was very nervous (rightfully so), as was one of the Defendants who started crying. I didn't want his nervousness to affect her, so w/out telling her and before she could notice he was crying, I took him to a witness room so he could express his concerns and help him calm down.
 - IE I was introducing Steven to the Judges he would work with for the particular DLT hearings that were coming up. He texted me one morning that he forgot we were meeting in Division 34 (in Independence) with Judge Long and asked to set the date over. I had not arrived at the office yet as I was heading straight from home to the office. Instead, I went to the office to pick him up and drove him to Division 34 to meet with the court. Also, since he had never watched the confirmation hearings before, for the Kansas City week, I handled the entire first day of hearings so that he could watch how it goes. Then the next day, I stayed in the courtroom with him the entire day in case he had any questions, and to help with answering any taxpayer questions that arose. Thereafter, Steven said he could handle the dockets himself, so I told him to text me if he needed me to come upstairs to help.

RE: RLA TO USE NEARMAP FOR OUR ORTHOS, PANORAMA, OBLIQUE IMAGERY AND 3-D MESH.

Nearmap is a cloud-based, geo-content provider that delivers high resolution orthorectified, panorama, oblique imagery, and 3-D Mesh building models. Nearmap's resolution, frequency and clarity brings a unique trifecta to the industry.

Nearmap's custom built camera system allows for capture elevations over 10,000 feet in Class E airspace minimizing delays and is above the air traffic control restriction zones. Upon completion of an image capture, the image cartridges are shipped for processing and, within three weeks, the imagery is hosted and able to be viewed on our GIS applications such as parcel viewer (unlike any other aerial imagery provider in the marketplace). The 3-inch resolution and cloud-based 3-D Mesh will allow Jackson County to streamline workflows and greatly increase the efficacy of GIS, as well as deliver the Assessment department newer imagery in a fraction of the time of similar services.

The County currently pays \$30,000 for ortho-imagery and \$175,000 for oblique imagery every two years. Nearmap offers a subscription based service which includes ortho and oblique imagery and 3D mesh models at cost of \$100,000 per year (5-year term).

The funds will come from 001-1902-56080

PRODUCTS AGREEMENT

Recitals

- A. Nearmap is a provider of aerial photography and associated products and services.
- B. Nearmap agrees to supply the Licensee with the Products described in the Quote, subject to the terms of this agreement and the Schedules, which together make up the legal agreement between the Licensee and Nearmap (**Agreement**).

Definitions of capitalized words are set out in section 18 of the Agreement.

1. GRANT OF LICENSE TO USE PRODUCTS

- 1.1 **Grant** Subject to the terms of this Agreement and payment by the Licensee of the Fee, Nearmap grants to the Licensee a limited, non-exclusive, non-transferrable license for the Term to use the Products in the Coverage Area for the Permitted Purpose (**License**).
- 1.2 **Authorized Users** The Products available under this License are only to be used by the total number of Authorized Users. The Licensee shall implement reasonable controls to ensure that it does not exceed the number of Authorized Users. If you exceed the total number of Authorized Users, you will be in breach of this Agreement.
- 1.3 **Renewal** Upon the expiration of the initial Term, this Agreement subject to any amendments to this Agreement required by Nearmap, shall be renewed automatically for successive renewal terms of twelve (12) months each (each a **Renewal Term**) unless terminated by either party by providing at least 30 days' written notice of its intention not to renew this Agreement prior to the expiry of the initial Term or any current Renewal Term. The Licensee will receive notice of any pricing changes or changes to the terms of this Agreement prior to the commencement of each Renewal Term. If Auto Renew is marked "No" in the Quote, this section 1.3 is not applicable to the Licensee.
- 1.4 **Replacement Product** Nearmap may from time to time supply the Licensee with a replacement Product of no lesser quality than the previously supplied Product at its absolute discretion. If requested by Nearmap, the Licensee must stop using any previously supplied Product and use the replacement Product from date of delivery from Nearmap.
- 1.5 **Acknowledge Nearmap source** The Licensee must expressly acknowledge Nearmap, in a reasonably prominent manner (by display of the Nearmap logo or other appropriate attribution), as the source of any Product or Derivative Works that the Licensee use, copy, modify or distribute. Unless otherwise permitted in writing, the Licensee must not remove or cause to be removed any Nearmap logo, watermark or other Nearmap attribution in any Product or Derivative Works.
- 1.6 **Periodic Data Allowance** Nearmap measures data usage by the Licensee under this License. In using the Products, the Licensee's consumption of data in the Period must not exceed the Periodic Data Allowance. The following conditions apply to the Licensee's Periodic Data Allowance:
- (a) the Periodic Data Allowance used by the Licensee will be calculated at the end of every Period based on the total data usage of all users who access and use the Licensee's Nearmap account during that Period;
 - (b) if the Licensee elects to download Products available to the Licensee on the Website, this will be applied to the Periodic Data Allowance. The Licensee may have the option to elect to download high resolution images. Downloading these images will use a higher portion of the Periodic Data Allowance than downloading a lower resolution image;
 - (c) if the amount of data consumed by the Licensee in any given Period is less than the Periodic Data Allowance, the balance will not be rolled over to a following Period;
 - (d) the Licensee agrees that Nearmap may charge the Licensee additional fees, up to a maximum of the Excess Data Rate, for any use by the Licensee of the Products resulting in data consumption in excess of the Periodic Data Allowance; Nearmap will provide notice to the Licensee if it exceeds its Periodic Data Allowance for any Period; and
 - (f) if the Licensee exceeds the Periodic Data Allowance, Nearmap may, in its absolute discretion, elect to:
 - (i) restrict the Licensee's access to the Products until the Periodic Data Allowance is reset or until additional fees are paid; or
 - (ii) immediately cease the Licensee's access to the Products for the remainder of the Period.
- 1.7 **Unavailability** Subject to section 12, if a Product is not available for a period of 3 consecutive days the Term will be extended by the period of unavailability.

2. RESTRICTIONS ON RIGHT TO USE PRODUCTS

- 2.1 **Permitted Purpose** The Products must only be used for the Permitted Purpose.
- 2.2 **No right to distribute, transfer, resell, assign or sublicense** This License is granted only to the Licensee. The Licensee must not distribute, transfer, resell, assign, rent, lease or sublicense any Product or any of the Licensee's rights under this License without Nearmap's prior written consent.

- 2.3 **No third party access** Unless otherwise provided in this Agreement, the Licensee must not make any Product available in any medium or manner to any third party (including the Licensee's subsidiaries and affiliates).
- 2.4 **Employees** The Licensee may make Products available to any employee, subject to that person complying with the terms of the Agreement as if they were a party to it and the total number of Authorized Users has not been exceeded. The Licensee is responsible and liable for any Authorized User who uses the Licensee's account access details or uses Products made available to the Licensee in breach of this Agreement, including, without limitation, for any additional fees that become payable if the Licensee exceeds the number of Authorized Users.
- 2.5 **No machine learning** The Licensee must not conduct machine learning work which includes but is not limited to any:
- (a) machine learning models (including the model form and model parameters);
 - (b) outputs of machine learning models;
 - (c) software that processes or transforms input data for training a machine learning model or getting a prediction from a machine learning model into a format suitable for training or making such prediction; or
 - (d) software used to train a machine learning model or compute outputs of a machine learning model for a given set of input data.
- 2.6 **No caching and creation of database** Except as expressly permitted under this Agreement, the Licensee is not permitted to:
- (a) use its access to the Products under this Agreement for the purposes of creating a database of imagery for resale, distribution, sub-license or other commercial purposes and mass downloads or bulk feeds of any imagery; and
 - (b) pre-fetch, retrieve, cache, index, or store any Content or portion of the Products.
- 2.7 **Limits on use of Website** In the Licensee's use of the Website, the Licensee must not (without the prior written consent of Nearmap):
- (a) provide a link to another URL;
 - (b) upload content or other information to the Website;
 - (c) do anything to damage, interfere or disrupt access to the Website or do anything which might impair its functionality;
 - (d) use the Website in any way to send unsolicited (commercial or otherwise) e-mail or any material for marketing or publicity purposes, or any similar abuse of either;
 - (e) publish, post, distribute, disseminate or otherwise transmit, defamatory, offensive, infringing, obscene, indecent or other unlawful or objectionable or confidential material or information;
 - (f) make available, upload or distribute by any means any material or files that contain any viruses, bugs, corrupt data, "trojan horses", "worms" or any other harmful software;
 - (g) remove any content or information from the Website, other than that permitted under the terms of this License;
 - (h) falsify the true ownership of a Product or other material or information made available via the Website;
 - (i) obtain or attempt to obtain unauthorized access, through whatever means, to the Website;
 - (j) use the Website other than in accordance with the Agreement;
 - (k) attempt any of the above acts or engage, encourage or permit another person to do any of the above acts; or
 - (l) provide or allow access which exceeds the total number of Authorized Users in connection with use of the Product.
- 2.8 **Breach** If the Licensee breaches any of sections 2.1 to 2.5 inclusive, Nearmap reserves its rights to terminate the Agreement in accordance with section 6.2, restrict the Licensee's access to the Products and/or take any other steps available to it at law.
3. **THE LICENSEE'S ACCESS TO PRODUCTS AND SERVICES**
- 3.1 Any password/ID issued by Nearmap to an Authorized User is personal and confidential to that Authorized User. If Nearmap suspects that any password/ID is being used by an unauthorized user, by a different Authorized User to the person whom it was issued to or the number of Authorized Users has been exceeded, Nearmap may:
- (a) cancel that password/ID;
 - (b) restrict the Licensee's access to the Product including but not limited to low resolution imagery for the remainder of the month;
 - (c) immediately cease the Licensee's access to the Product;

- (d) require the Licensee to pay for any additional charges in accordance with Nearmap's then current price list for the applicable Product, in respect of any such unauthorized use; and/or
- (e) exercise any other right available to Nearmap under the terms of this Agreement.
- 3.2 **Downtime** Nearmap will use reasonable efforts to ensure that the Website remains available but cannot guarantee that this will be the case at all times. Nearmap agrees that, wherever possible, all planned maintenance will be done out of normal Operational Hours to ensure optimal uptime of the Website. When Nearmap becomes aware of any Fault, Nearmap will use reasonable efforts to:
- (a) allocate such resources as may be necessary to remedy the Fault; and
- (b) otherwise take all reasonable steps to remedy the Fault so as to minimize any disruption to the Licensee's use of the Products.
- 3.3 **Expiry** The Licensee's License will expire at the end of the Term unless renewed in accordance with section 1.3 and may be suspended or terminated in accordance with section 6.2 if the Licensee is in breach of this Agreement.
