Vision Forward for MCC

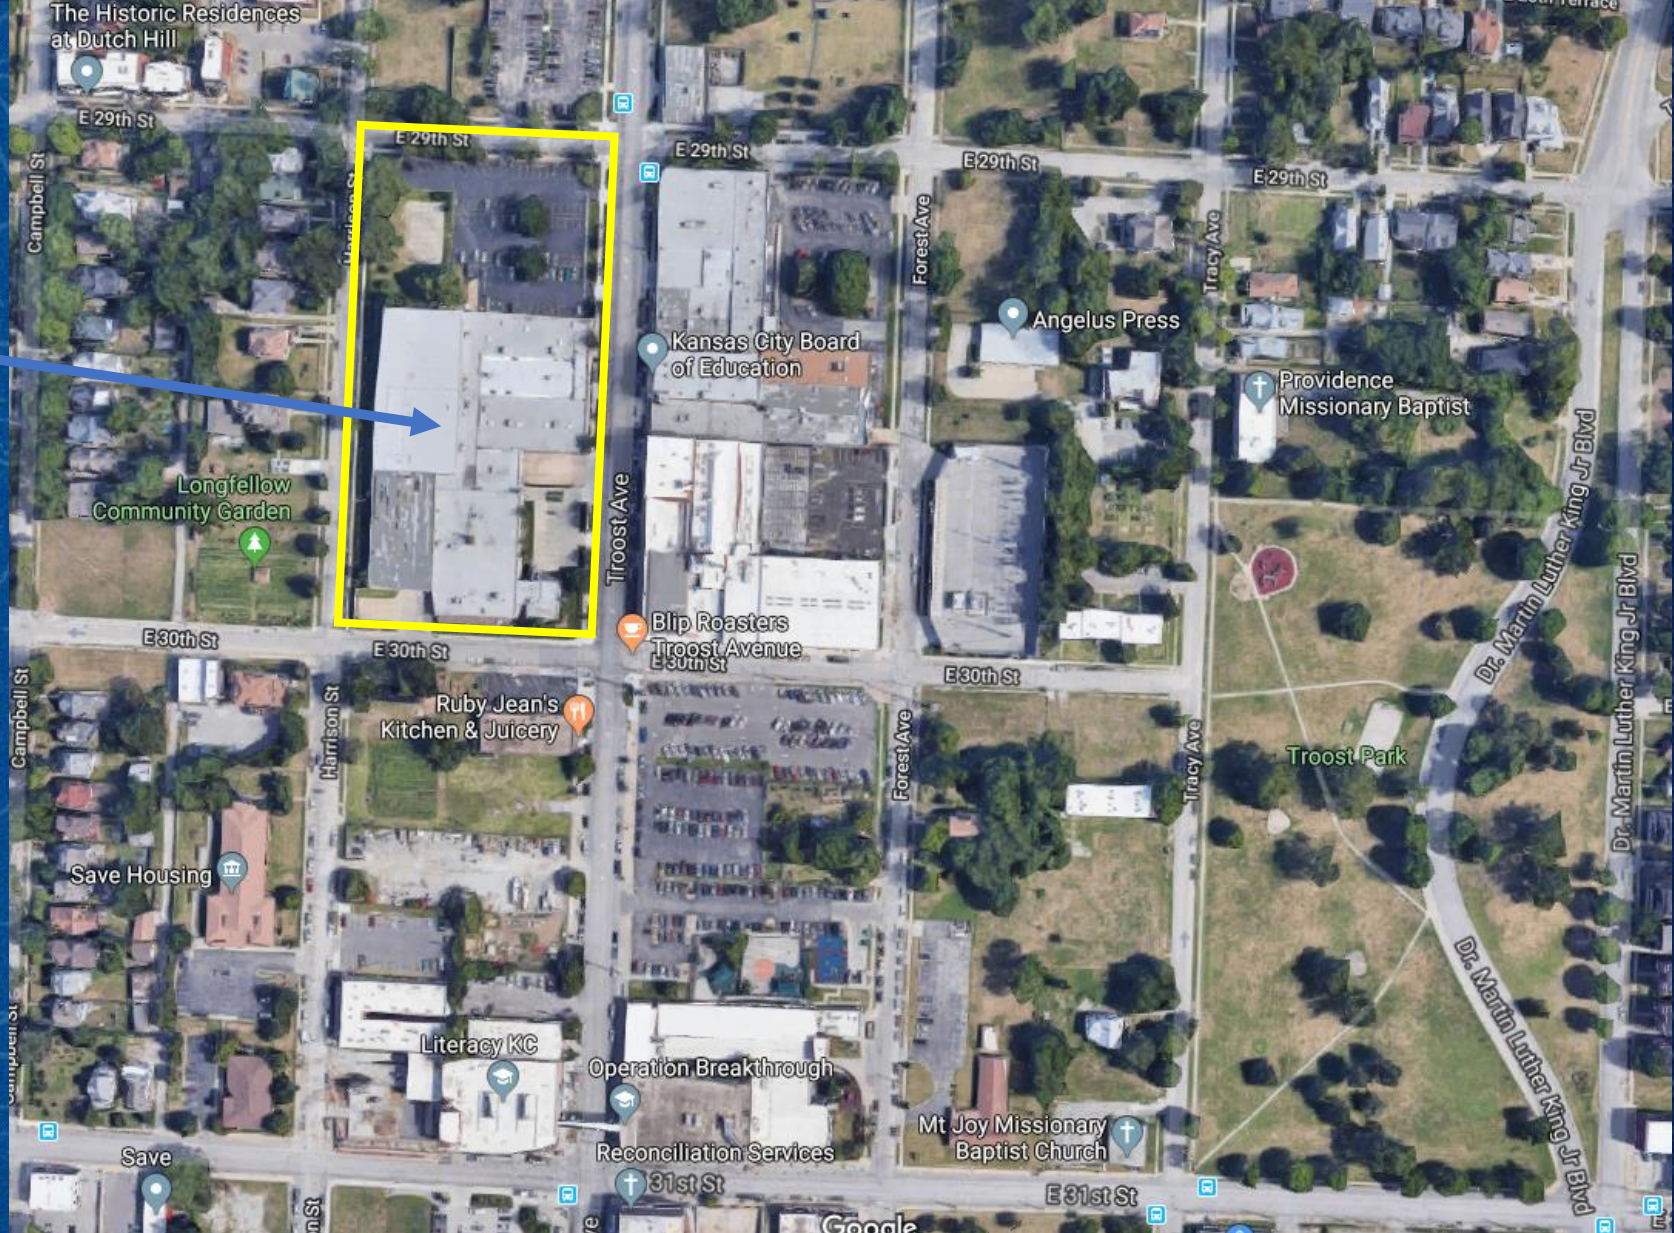

- **Bring more workforce to the inner core.**
- Make a formidable investment in the institution's infrastructure to ***increase greater access and equity for the future students*** in the college's service area.

Framework for the Path Forward

Goals for the Path Forward and Strategic Plan Alignment

| Goal | Strategic Plan Alignment |
|---|--------------------------|
| Align programs with current industry needs in the KC region | Student Success |
| Increase diversity, access and equity to existing workforce programs | Student Success |
| Enhance and align existing facilities with a 21 st century teaching and learning environment | Student Success |

Training Programs at the Institute

- Industrial Technology
- Machining
- HVAC/R
- Welding
- Building Construction Maintenance

The Opportunity

- It's an opportunity to make transformational change in an Opportunity Zone
- It's an opportunity for capacity building in the community
- It's an opportunity to spark economic development on and east of Troost
- It's an opportunity increase a pipeline of workers for an collection of industries, especially post-COVID
 - COVID has created a huge demand disruption
 - Manufacturers are shifting to address hypergrowth
- It's an opportunity to leverage other funding sources (EDA, Campaign, and bond dollars)

The Nexus
