Organization understands that no payment shall be made under this agreement until Organization's 2021 Outside Agency contract has been fully reconciled with the County's Department of Finance and Purchasing. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2022, and shall continue until December 31, 2022, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. **Date Program was Initiated:** 2010

**What time period does this program run:** All Year

**Provide program description:** Swope Health Outreach Services enrolls individuals experiencing homelessness into the Health Care for the Homeless Program which provides medical, dental, vision, behavioral health and other services to eligible persons. An important program component is the medication assistance program that provides free, lifesaving medications to those eligible, like insulin for Diabetes or high blood pressure medication for Hypertension.

**Describe the benefits of this program to Jackson County Missouri:** Our program provides direct assistance to individuals in Jackson County who are street homeless or those in Jackson County homeless shelters. Individuals are enrolled for one year. If they become housed, they still receive services while newly housed to become stable and obtain resources once housed, preventing future homelessness.

**Describe target population to be served:** Our target population is individuals experiencing homelessness, including those staying in a place unfit for human habitation such as their car, the streets, parks and abandoned buildings. We also serve individuals who are staying in temporary shelters or in a transitional living program. We serve all ages, ethnicities, races, differing sexual orientations, gender, etc. in the homeless program.

**What are the qualifications for participants:** Adults must complete a Homeless Intake Screening to assess eligibility and identify risk factors and needs. Homeless shelter residents are required to provide a letter from the shelter. Individuals not at shelters but working with other agencies that can validate their homelessness, can submit letters from those agencies. Children are enrolled as part of the family unit.

**Check if your services are available to anyone:**

**How do you maintain a database of participants:** E/Clinical Works, CaseWorthy

**Number of participants from Jackson County:** 1980

**Number of participants from Other Areas:** 20

**Total Number of participants:** 2000

**Identify the community need for your organization's program and services in Jackson County.**

The 2020 Point in Time Homeless Count found 1,733 homeless individuals in the County on one night, 443 of whom were unsheltered and 163 classified as chronically homeless. Many homeless have untreated chronic health and behavioral health conditions, which lead to repeat emergency department visits or contact with law enforcement. Our Outreach Services to the homeless link them with medical care and medication assistance and behavioral health services, preventing hospitalizations and law enforcement intervention.
