

COOPERATIVE AGREEMENT

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as “the County” and a Missouri not-for-profit corporation, **OPERATION BREAKTHROUGH, INC. 3039 TROOST KANSAS CITY, MO 64109**, hereinafter referred to as “Organization”.

WHEREAS, the County and Organization desire to enter into an Agreement to provide funding to be used for Family Therapy; and,

WHEREAS, the County deems it to be in the best interest of its citizenry to support such programs and activities; and,

NOW THEREFORE, in consideration of the foregoing and the terms and provisions herein contained, the County and Organization respectively promise, covenant, and agree with each other as follows:

NOW, THEREFORE, it is agreed by and between the parties as follows:

1. **Services**. Organization shall provide services Family Therapy, as is more fully set out in the proposal attached hereto as Exhibit A and incorporated herein by reference. The term of this contract is January 1, 2022, through December 31, 2022, and as such, all expenditures must occur within this period. The budget Organization submitted as part of Exhibit A is considered final and non-changeable.

2. **Terms Of Payment**. The County agrees to pay Organization the total amount of **\$18,971.00** in quarterly reimbursements up to **\$4,742.75**, Payments shall be made upon the County's receipt of the quarterly reports as set forth in paragraph 3 hereof. The final payment will not be processed until the Organization's annual program report has been completely reconciled. The County reserves the right to audit all invoices and to reject any invoice for good cause. The County retains the right to deduct from an invoice of Organization any overpayment made by the County on a prior invoice. The County retains the right to make invoice corrections/changes. The County will not reimburse sales tax expense.

3. **Reports/Other Documentation**. Within 30 days after the conclusion of each calendar quarter under this Agreement, Organization shall submit a quarterly report through the Outside Agency Portal along with proof of payment and receipt documentation that reconciles to the quarterly report, including cancelled checks and/or a copy of the face of the check and corresponding bank statements, invoices, itemized credit card receipts and credit card statements showing proof of purchase and proof of payment and any other documents requested by the Department of Finance and Purchasing, to establish that the funds provided pursuant to this Agreement were used for the purposes set forth herein. All payments will be processed within 30 days of receipt of invoice, if the invoice is complete and accurate. All payments will be detained until reports are received and accurate. Any reports that are incorrect will delay payment. The last quarter's report is due by January 31st, 2023 and shall include an annual report which shall summarize all of Organization's activities pursuant to this Agreement. Organization's failure to submit this annual report shall disqualify

Organization from future funding by the County. The final payment will not be processed until the Organization's annual program report has been completely reconciled. Organization must submit all quarterly reports in the format specified by the County regardless of whether activity took place in each quarter, before the next quarterly payment will be processed. Any quarterly reports that are incomplete or incorrect will delay payment. Any unspent funds under this Agreement not invoiced by Organization within 30 days from the expiration of this Agreement shall be forfeited and not be paid.

Organization must notify the County in writing on Organization's letterhead, within five working days of the following changes:

- a. Organization name, address, telephone number, administration, or board of directors
- b. Organization funding that will affect the program under this contract
- c. Liability insurance coverage
- d. Management or staff responsible for providing services pursuant to this contract. When a management or staff position responsible for providing services pursuant to this contract is vacated and when the position is subsequently filled, the following will apply i.) reimbursement for a vacated position will be suspended until it is filled, and ii.) if another person under this contract assumes the duties of the vacated position, the Organization will not be allowed to bill the County for both positions.
- e. Any proposed or actual merger or acquisition either taken by the Organization or toward the Organization

4. **Submission of Documents.** No payment shall be made under this Agreement unless Organization shall have submitted to the County's Department of Finance and Purchasing through the Jackson County Outside Agency Portal accessible on www.jacksongov.org/auditor: (1) a written proposal setting out in detail the intended use of the County's funding, including the target population to be served; (2) Organization's IRS Form 990 from the previous fiscal or calendar year; (3) a statement of Organization's total budget for its most recent fiscal year; and (4) a detailed

explanation of actual expenditures of the County's funds; (5) audited financial statement for Organization's most-recent fiscal or calendar year, or a certified public accountant's program audit of the County's funds. Organization must be chartered in the State of Missouri, hold a certificate of good standing with annual registration through the Missouri Secretary of State and have received an exemption from Federal income taxes under Section 501c3 of the Internal Revenue Code. Any documents described herein which were submitted as a part of an application for funding need not be resubmitted to qualify for payment. Organization understands that no payment shall be made under this agreement until Organization's 2021 Outside Agency contract has been fully reconciled with the County's Department of Finance and Purchasing. No payment shall be made if Organization is out of compliance on any other County contract, or has not paid county taxes on all properties owned by Organization and assessed by the County.

5. **Equal Opportunity**. Organization shall submit an Affirmative Action Plan or Equal Employment Opportunity statement as required by the County Compliance Review Office. Organization shall maintain policies of employment as follows:

A. Organization and Organization's subcontractor(s) shall not discriminate against any employee or applicant for employment because of race, religion, color, sex, age, disability, or national origin. Organization shall take affirmative action as set forth to ensure that applicants for employment and employees are treated without regard to their race, religion, color, sex, age, disability, or national origin. Such action shall include, but not be limited, to the following: recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training,

6. **Employment of Unauthorized Aliens Prohibited.** Pursuant to §285.530.1, RSMo, Organization assures that it does not knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri and/or Jackson County, and shall affirm, by sworn affidavit and provision of documentation, its enrollment and participation in a federal work authorization program with respect to the employees working in connection with the contracted services. Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

A. Organization shall maintain Commercial General Bodily Injury and Property Damage Liability insurance, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property

damage liability.

B. Organization shall maintain, if any motor vehicles are used in the performance of the Services, Commercial General Bodily Injury and Property Damage Liability insurance, and Automobile Liability insurance including owned, non-owned, or hired vehicles, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2022, and shall continue until December 31, 2022, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to

receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care**. Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

Community Infrastructure

Other organizations in the community that provide the same or similar services as your organization.

Head Start and Early Head Start programs that serve families in Kansas City's urban core include: Emmanuel Family & Child Development Center, St. Mark Child & Family Development Center, Edgar & Rheta Berkeley Child & Family Development Center, Thomas Roque YMCA Head Start, and three Early Learning Community Schools within the Kansas City Public Schools at Richardson and Woodland Elementary and Central High School.

Compare your programs and results to others working in the same field.

The prevalence of Adverse Childhood Experiences (ACEs) among Operation Breakthrough families is nearly four times that found in the general population. Research shows that the higher the ACE score an individual has: 1) the higher their risk for maladaptive social/emotional development and 2) the likelihood of physical disease, disability, and/or early death increases. Parents with elevated ACE scores may be unable to shield their children from traumatic incidents, leading to increased risk for emotional and behavioral problems and the intergenerational transmission of toxic stress.

List all partnerships you have with other organizations along with the nature of the partnership.

Our many community partnerships include: Children's Mercy Hospital that provides nurse practitioners for our onsite clinic, KU Med Center's Child Psychiatry Department provides weekly psychiatric services through our telemedicine connection. Through partnerships with KU and UMKC's graduate programs in social work, each year four or five grad students complete their internships at our Center. Swope Health Dental provides onsite weekly dental services. Harvesters and other community groups support our onsite food pantry. Amethyst Place provides housing for mothers in recovery.

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: Operation Breakthrough continues to offer all enrolled families wrap-around services to ensure that the needs of the whole person are supported and addressed during their time in our program. Family Advocates meet regularly with families to assess their needs for housing, utility, food, clothing, health, dental, or mental health assistance. Through these assessments, we are better able to adjust our services and resources to ensure we are meeting the individual, family, and community needs each year, including expanded services for Child-Parent Psychotherapy over the past three years.

Describe the benefits of this program to Jackson County Missouri: Through our four-tiered approach to service, we ensure that we are meeting the clients where their needs and motivation are. This is provided through prevention, intervention, or external services with the goal being that our families, parents of young children who reside in Jackson County, receive services that establish and strengthen protective factors at the earliest possible intervention stage to mitigate the long-term effects stemming from known risk factors and ACEs. These long-term benefits help curb cyclical patterns that lead to toxic stress in our families and communities.

Describe target population to be served: Nearly all OB families struggle to overcome the stress of poverty, single parenting, and living in the Kansas City urban core. They heavily rely on our Center to meet their basic needs, ranging from food, housing, clothing, and mental and health needs. Many of our families experience high levels of trauma, nearly 4 times the national rate, putting both parents and their children at high risk for maladaptive social-emotional development, poor health outcomes, and failure in school for their children without adequate and early intervention and support to mitigate the impacts of trauma.

What are the qualifications for participants: All parents and/or caregivers of at-risk children enrolled at Operation Breakthrough are eligible to participate in preventative wrap-around family services. Family therapy is offered to all caregivers of children who are enrolled. The service delivery model and client-centered approach means that clients can begin, pause, and end treatment at the pace that creates safety for them in the therapeutic relationship.

Operation Breakthrough primarily serves children and families residing in five zip codes in KC's urban core characterized by the highest rates of poverty, crime, violence, deteriorating housing, poorly performing public schools, severe lack of jobs, decent grocery stores, and safe places for children to play. In addition to the stresses of living in poverty and in the urban core, the prevalence of Adverse Childhood Experiences (ACEs) — such as abuse, separation from or incarceration of a parent, or witnessing violence — among our families is 4 times the national rate.
