

COOPERATIVE AGREEMENT

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **UNITED INNER CITY SERVICES 2008 E. 12TH ST PO BOX 270538 KANSAS CITY, MO 64127**, hereinafter referred to as "Organization".

Organization must submit all quarterly reports in the format specified by the County regardless of whether activity took place in each quarter, before the next quarterly payment will be processed. Any quarterly reports that are incomplete or incorrect will delay payment. Any unspent funds under this Agreement not invoiced by Organization within 30 days from the expiration of this Agreement shall be forfeited and not be paid.

If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation of Funds.** Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance.** Organization shall maintain the following insurance coverage during the term of this Agreement.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2022, and shall continue until December 31, 2022, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to

receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care**. Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

UICS serves students from high-crime/high-violence/high-poverty neighborhoods. Many of these students have adverse childhood experiences and are at greater risk of long-term health related problems. Such problems include depression, anxiety, heart disease, lack of brain development, aggressive behaviors, and later substance abuse and violence (Alicic, 2014; Masen & Barnes, 2018; Beeks, 2018). Early childhood programs counteract health risks, with participants more likely to graduate high school, have higher earnings, have fewer teenage pregnancies, and commit fewer crimes (Perry, 2005).

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: UICS offers high-quality early childhood education at three centers, two in Jackson County: St. Mark and Metro Center. These two collectively serve 200+ young children and their families. UICS utilizes highly credentialed teachers; child-centered, play-based curriculum; and an arts-infused environment. UICS offers wrap-around support such as extended care hours, healthy breakfast and lunch, a mental health intervention program, and an array of family-engagement and supportive family services.

Describe the benefits of this program to Jackson County Missouri: Only 1 in 4 Jackson County children can access quality early childhood education. Research confirms the benefits of early education can last a lifetime for the individual and for greater society. High-quality early education is tied to positive outcomes including further academic success, high school graduation, increased earnings, and reduced incarceration rates (Brookings Institute, 2016). All taxpayers of Jackson Co. reap benefits of investment in early education. Economic research shows for every \$1 invested in early learning, nearly \$9 is returned (Office of the President, 2014).

Describe target population to be served: UICS serves children ages 6 weeks to 5 years. Many face economic insecurity, unstable living conditions, hunger, or other obstacles to achieving healthy cognitive, social, and emotional development. Of the 240 children, 85% live in Jackson County, and are 72% African American, 10% Caucasian, 1% American Indian, 1% Asian, 12% Hispanic/Latinx and 4% other races. Of those served, 87% live in single-parent homes, and, according to a family needs assessment, more than 50% reported a parent or immediate family member is or has recently been incarcerated.

What are the qualifications for participants: Services are available to all families with children ages six weeks to five years residing in Jackson County, MO regardless of income status. Families who qualify for Head Start must meet specific eligibility criteria including household income less than 180% of the federal poverty level. Scholarships are available to support families in need, and state subsidies are accepted.

Check if your services are available to anyone: Yes

How do you maintain a database of participants: UICS utilizes ChildPlus data management software for tracking family, child, and household information upon enrollment and throughout a child's education at UICS.

Number of participants from Jackson County: 240

Number of participants from Other Areas: 71

Total Number of participants: 311

Identify the community need for your organization's program and services in Jackson County.

Jackson County suffers from a shortage of high-quality early education programs. The county capacity of licensed childcare programs met the needs of 41% of children under six in 2020 (Child Aware). A study conducted by the Metro Area Regional Council found direct correlation between education quality and the enrolled children's health and learning outcomes (Thornberg, et al., 2009). Currently UICS-St. Mark Center's waiting list is 305 children, while UICS-Metro Center's is 312. This waiting list illustrates the high demand for UICS's high-quality early childhood education.
