**\$256.5M Guaranteed Maximum Price**

**M/WBE 1:1 Mentoring Program+**

JE Dunn identifies selected companies to mentor in 1:1 relationships. Using a structured, but informal mentor protégé format, our protégés have been able to strengthen internal processes, establish systems to ensure they are more competitive in the market place, and gain entry to vendors and develop relationships that provide access to other JE Dunn opportunities.

*Axiom Construction was one of JE Dunn's successful protégés.*

*Scan to watch a video about our mentor-protégé relationship with Axiom Construction*
