Action Requested:	Resolution	Res.Ord No.:	20985
Sponsor(s):	Crystal J. Williams	Legislature Meeting Date:	6/13/2022

Introduction

Action Items: ['Authorize', 'Transfer', 'Repeal']

Project/Title:

Partially rescinding Resolution 20867, dated February 14, 2022, transferring \$75,000.00 within the 2022 Health Fund, and authorizing the County Executive to execute Cooperative Agreements with certain outside agencies that provide public health-related and other public services to citizens of Jackson County, at an aggregate cost to the county not to exceed \$75,000.00

Request Summary

Resolution 20867, dated February 14, 2022, awarded \$3,000,000 to 36 outside agencies allocated funding by the legislature with the adoption of the 2022 Budget.

Swope Ridge Geriatric Center was one of the thirty-six outside agencies awarded funding in the amount of \$100,000. In March of 2022 the county was notified by Swope Ridge Geriatric Center that their Board of Directors had decided to close the Care Center and would no longer be providing indigent healthcare services following the discharge of their last resident on February 25, 2022. In discussion with Swope Ridge Geriatric Center their contract for 2022 funds was reduced to reflect a contract period of 1/1/2022 to 3/31/2022 and \$25,000, both reflective of one-fourth of the total award of \$100,000. (email notification is attached)

This request will reallocate the remaining unused funds of \$75,000 from Swope Ridge Geriatric Center to Kansas City CARE Clinic dba KC CARE Health Center for \$50,055 and Kansas City Community Gardens for \$24,945. Both agencies previously submitted an application for outside funding with the required documents during the solicitation process but neither had been awarded funding.

Subject: RE: 2022 Outside Agency Funding Contract - Care Center of KC dba Swope Ridge Geriatric Center

Good Morning Armelia,

Unfortunately, the Board of Directors and management team of the Care Center of KC has recently decided to close the Care Center and will no longer be providing indigent healthcare services. The challenges of the long-term industry has become too great for us to continue operations. We discharged the last resident on February 25, 2022 and are in the process of winding down the business entity. Please let us know how we should proceed with the funding contract, since will not be providing services for the full calendar year. We did provide services from January 1, 2022 – February 25, 2022 and I can provide reporting for quarter one if needed.

Have a good day,
