THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **KANSAS CITY COMMUNITY GARDENS, 6917 KENSINGTON AVE. Any reports that are incorrect will delay payment. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. Appropriation of Funds. Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification.** Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence June 1, 2022, and shall continue until December 31, 2022, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Community Infrastructure

Other organizations in the community that provide the same or similar services as your organization.

KCCG is only local organization targeting support to individuals and groups who wish to grow their own food as a means to eat a healthier diet and share freely with others. In contrast, organizations like Cultivate KC and Boys Grow support local farmers who are growing food for sale.

Compare your programs and results to others working in the same field.

Research has shown that low-income households purchase energy dense, fatty, sugary, processed foods at higher rates than food secure households due to lower prices and longer shelf lives. Only 11.6% of adults in Jackson County consistently consume the recommended daily allowance of fruit and vegetables, well below the national average of 23.4%. 98% of KCCG gardeners surveyed last year indicated that they consumed more servings of fruits and vegetables. 99% increased their physical activity as a result of their garden.

List all partnerships you have with other organizations along with the nature of the partnership.

KCCG currently provides support to gardens and orchards located at 12 organizations who receive Outside Agency funding through its Community Partner Gardens and Orchard programs. These include Swope Ridge, Developing Potential, Harvesters, Healing House, Mattie Rhodes, Fairmount, Operation Breakthrough, Palestine, Samuel Rogers, Seton, Sheffield Place and Swope Health. We operate rental plot gardens in Jackson County in partnership with the City of KCMO, KC Parks Dept., KC Public Schools, Kauffman Foundation, Community Builders of KC and Research Medical Center.

Provide program description: The Individual and Family Gardens program empowers families to grow food at home or at one of 7 rental plot sites in Jackson Co. Low-income households pay an annual fee of \$2 to enroll in the program. Participants receive 10 packs of seeds, fertilizer, access to low-cost plants and supplies, home tilling, rental plots and beds, free technical assistance, educational resources and workshops. With an investment of \$25, members can grow 240 pounds of produce each year – realizing more than \$500 in grocery savings and eating a more diverse, healthy diet.

Describe the benefits of this program to Jackson County Missouri: In 2021, this program served a total of 2,062 households in Jackson County. Jackson County participants represent 71% of our overall program participants. 52% of those identified as "very low income" and an additional 18% identified as "low income", with incomes below 50% and 80% of the area median, respectively. These households grew an estimated 494,880 pounds of healthy produce, realizing nearly \$1 million grocery savings.

Describe target population to be served: KCCG specifically targets its outreach to low-income clients. Our rental plot gardens are located in neighborhoods with high populations of low-income clients and limited access to grocery stores. In 2021, 70% of the households we served in Jackson County identified as "very low" or "low" income. Of these, 3% are Asian, 41% Black, 4% Hispanic, 1% Native American, 49% white and 2% mixed or other races.

Identify the community need for your organization's program and services in Jackson County.

KCCG's clients are low-income residents who are at higher risk of obesity, heart disease and diabetes because their income or physical neighborhood limits their ability to eat healthy foods. Gardens provide a simple, sustainable solution to healthy food access in neighborhoods where grocery stores are scarce and budgets are tight. Gardening is unique among other efforts to increase food security (such as food pantries) in that it gives participants the power of choice when it comes to the healthy foods that they eat.
