Date: February 19, 2024

### Completed by County Counselor's Office

Action Requested:	Resolution	Res.Ord No.:	21544
Sponsor(s):	Megan L. Marshall	Legislature Meeting Date:	2/19/2024

### Introduction

**Action Items:** ['Award']

**Project/Title:**

Awarding a term and supply contract that ends January 18, 2025 (end date matches contract period) with one (1) twelve (12) month option to extend (till final expiration date if January 18, 2026), for the furnishing of Ammunition for various County Departments to the eight vendors awarded as per State of Missouri Contract CC240449 Series (001 thru 008) an existing government contract.

### Request Summary

The Sheriff's Office, DOC, Drug Task Force and Parks + Rec Ranger Division require a term and supply contract for the furnishing of Ammunition. The request is for all eight vendors awarded the State of Missouri bid CC240449 Series (001 thru 008) as follows:

Contract No. CC240449001 | Contractor Name: Bald Ridge Outdoors, LLC of Van Buren, MO  
Contract No. CC240449002 | Contractor Name: Gulf States Distributors, Inc. of Montgomery, AL  
Contract No. CC240449003 | Contractor Name: Howards Premium Ammo, LLC of Florence, SC  
Contract No. CC240449004 | Contractor Name: On Target Ammunition of Grain Valley, MO  
Contract No. CC240449005 | Contractor Name: Precision Delta Corporation of Ruleville, MS  
Contract No. CC240449006 | Contractor Name: S1 Armory, LLC of Weatherford, TX  
Contract No. CC240449007 | Contractor Name: Specialty Cartridge Inc. of Covington, GA  
Contract No. CC240449008 | Contractor Name: Sunset Law Enforcement, LLC of Ackley, IA

Ammunition is often in short supply and specific product availability can be limited; therefore, it is recommended the award be split between all awarded vendors as all companies offer suitable products to meet the County's ammunition needs. State of Missouri Ammunition Contract and using departments recommendation memos are attached.

Pursuant to Section 1054.6 of the Jackson County Code, the Director of Finance and Purchasing recommends a split award for a term and supply contract that ends January 18, 2025 with one (1) twelve (12) month option to extend for ammunition to the eight vendors awarded as per State of Missouri Contract CC240449 Series (001 thru 008) an existing government contract.

This award is made on as "As Needed" basis and does not obligate Jackson County to pay any specific amount. The availability of funds for specific purchases is subject to annual appropriation. The annual estimated spend is \$140,000.00.

The Jackson County Compliance Portal was checked, status was green/issued and showed an expiration date of 2024-12-31 for all eight vendors.

## INSTRUCTIONS AND INFORMATION

1. **PREFERRED USE:** The State of Missouri intends to establish contracts with multiple vendors which shall be referred to collectively as a Qualified Vendor List (QVL) for use on an as needed, if needed basis. Contract awards will be made based upon the vendor's reliability and compliance with the requirements specified herein. The awarded contracts shall not be viewed as exclusive contracts. The state reserves the right to issue subsequent solicitations for the same or similar supplies.
2. **PRICE QUOTE(S):** At the state agency's discretion, the contractors awarded specific line item(s) will be contacted to quote a firm, fixed maximum price for the state agency's specific purchase. **The contractor shall be obligated to quote a price at the time the state agency contacts the contractor for a quote.** The firm, fixed maximum price quoted for the specific purchase shall be contractually binding on the contractor for that specific order and shall remain firm, fixed for the timeframe in which the price quoted was obtained.
3. **PRICE:** Contractors shall price the specific product(s) based on the estimated quantity, unit of measure, and the mandatory specifications stated by the agency at the time of quote request. The state shall not pay nor be liable for any other additional costs including but not limited to taxes, shipping charges, insurance, interest, penalties, termination payments, attorney fees, liquidated damages, etc.
  - All pricing shall include all packing, handling, shipping, and freight charges **FOB Destination, Freight Prepaid and Allowed**. The State of Missouri shall not make additional payments or pay add-on charges for freight or shipping.

4. **DETERMINATION OF LOWEST PRICED CONTRACTOR:** For each quote response, the state agency shall confirm the quote response meets the minimum requirements as stated in the quote request. For those responses which meet the state agency's minimum requirements, the state agency shall consider (1) price (2) how well the proposed product meets their needs, and (3) any preference considerations identified in the contract award for the individual QVL contractors by the Division of Purchasing in determining the "lowest and best" quote received.

- More specifically, for those responses which meet the requesting entity's minimum requirements, the evaluation shall be based upon (1) cost and (2) any bonus points from the original RFP evaluation for Organizations for the Blind and Sheltered Workshop Participation and Missouri Service-Disabled Veteran Business Enterprise Participation. The contractor with the lowest cost that meets the state agency's needs shall be considered the "lowest and best" quote response and awarded the specific purchase, unless a vendor qualifies for SDVE or Organization for the Blind/Sheltered Workshop bonus points in which case, cost and bonus points will determine the "lowest and best" quote response. The state agency shall have the right to reject all responses and not make an award.

**Note: Bonus Points for Organizations for the Blind and Sheltered Workshop Participation, Missouri Service-Disabled Veteran Business Enterprise Participation were not awarded to any of the contractors.**

- Upon determination of each QVL contractor's total cost for the quote responses, cost points shall be computed from the results of the calculation stated below using a scale of 200 possible points:

$$\frac{\text{Lowest Responsive Contractor's Price}}{\text{Compared Contractor's Price}} \times \frac{\text{Maximum Cost Points}}{\text{Points}} = \text{Assigned Cost points}$$

- The state agency will document their evaluation justification regarding their award determination of the "lowest and best" quote at the time the quote is awarded.
- The state agency will inform all responding contractors of the outcome of the award. Acceptance of the quote, unless otherwise specified, is not authorization to proceed with shipment of products. The state agency must provide authorization to proceed through issuance of a purchase order or specific written authorization to proceed.

➤ Contractors or state agency personnel that would like to know the history of

the price quotes submitted, need to contact the state agency requesting the price quotes.

- In the event all quote responses fail to meet the state agency's needs, the state agency may reject all responses and cancel the quote request.
5. **SCOPE OF WORK:** Due to the large amount of information included in the contract's Scope of Work, the information is not included in the Statewide Contract Notification. The information is available through the Awarded Bid & Contract Document Search at <https://oa.mo.gov/purchasing/bidding-contracts/awarded-bid-contract-document-search> or through MissouriBUYS at <https://missouribuy.com>, search for RFPC30034902400449.
6. **PURCHASE ORDER REQUIREMENTS BY STATE AGENCY:** The state agency shall purchase ammunition from the lowest priced contractor (as determined by section 2.4) for each line item for the duration of the timeframe requested.
- If the lowest-priced contractor cannot provide ammunition in accordance with the mandatory requirements and terms stated herein for the duration of the timeframe requested for any reason and/or meet the state agency's needs, the contractor may be considered in breach of contract and subject to the remedies thereto.
  - The state agency shall document each instance of the contractor's inability to provide the ammunition as required. If the contractor continually or consistently is unable to provide the required ammunition, the Division of Purchasing may elect to cancel the contract.
  - If the lowest-priced contractor cannot provide ammunition in accordance with the mandatory requirements and terms stated herein or otherwise meet the needs of the state agency, then the state agency reserves the right to use the next lowest contractor's price (as determined in accordance with section 2.4). If the state agency determines they need to use the next lowest contractor's price, the state agency **must** contact the buyer of record.
7. **CONTRACT MANAGEMENT:**
- The state agency should monitor, measure, and manage the contractor's performance of services and delivery of products according to the contractual requirements. Please refer to the Contract Management Guide: <https://oapurch.state.mo.us/procurementsources.shtm>.

- In the event your state agency encounters any issues or has any concerns or questions regarding the contract, please contact the Division of Purchasing in writing to the attention of the buyer shown on the front page of this document.
  - To assist the Division of Purchasing in monitoring the performance of the contractors and ensuring quality services are provided to state agencies, state agencies are strongly encouraged to submit documentation regarding the contract and contractor performance to the Division of Purchasing to the attention of the buyer listed on the front page of this document.
8. **SATISFACTION SURVEY:** Customer service is a top priority. The Division of Purchasing desires to work with state agencies to identify solutions if there are any contract concerns. State agencies are encouraged to complete the Satisfaction Survey, Appendix A (below), regarding their experience with the contract. Please submit your completed survey to the Division of Purchasing to the attention of the buyer shown on the front page of this document.
