The grantee must complete the full scope of work and all tasks outlined in the approved grant application by the Project End Date, unless NEHA grants a written exception. The recipient agrees to comply with the current FDA general terms and conditions (HHS Grant Policy Statement).

Restrictions on the expenditure of funds in federal appropriations acts apply to this award, to the extent those restrictions are applicable to subawards made under federal grants. Please refer to 2 CFR 200.400 for guidance on relevant cost principles.

### **Reporting**

Reports with due dates will be accessible by logging into the Grant Portal, found on the NEHA-FDA RFFM webpage. Reminders will be sent to the email address of your organization's Point of Contact regarding upcoming and past due reports.

Interim Progress Reports will be required each year for awards made through this program to assure that each funded project remains on track for timely completion. For one-year awards, an Interim Progress Report will be due halfway through the project period.

When all project objectives have been completed, a Final Project Report must be submitted through the online grant portal no later than 45 days after your Project End Date. As part of the final report, the grantee must provide a full accounting of all expenditures made with funds from this grant award accompanied by the required documentation.

For complete information on required reporting, please see the **Reporting and Payments** link on the NEHA-FDA RFFM webpage.

For additional information regarding the Retail Program Standards, please visit the FDA's official webpage at: <https://www.fda.gov/food/retail-food-protection/voluntary-national-retail-food-regulatory-program-standards>.

### **Allowable and Non-allowable Costs**

### **Base Grant Requirement**

Once awards under the NEHA-FDA RFFM Grant Program have been made, all grantees must have an active Base Grant in place (either a Development Base Grant or a Maintenance and Advancement Base Grant) to remain eligible for open Optional Add-On Grants. During the performance period of open awards, if a Base Grant is cancelled for any reason (at the request of the Grantee or due to non-performance), all open Additional Add-On Grants may also be in jeopardy of cancellation.

For grantees that have been awarded both a Track 2 Development Base Grant (a one-year award) and a Capacity Building Grant (a three-year award), it is the awarded jurisdiction's responsibility to apply for Development Base Grants in years two and three of this grant program, to assure that their Capacity Building Grant remains eligible for continuation.

### **Travel Costs**

Travel costs should adhere to the general guidelines found in the **NEHA-FDA RFFM Grant Guidance**. Contact the NEHA-FDA RFFM Grant Program Support Team with specific travel-related questions not covered in the guidance.
