**TITLE: A RESOLUTION authorizing a payment to Superior Moving for services rendered in the amount of \$3,222.00**

**SUMMARY:** The County does not have a term and supply contract with Superior Moving and has previously spent \$3,859.00 during this calendar year. This additional amount places us over the \$5,000.00 spending limit without having a contract in place. The Jackson County Historical Society contacted Superior Moving directly to relocate several boxes. These boxes were previously moved due to a water line break and moving the boxes back was planned to be part of the repair. The Historical Society was not aware of the spending limits or that Public Works had this work in the scope of repairs. This resolution will allow payment to Superior Moving for services that they have provided the County.
