SUMMARY	Public Works, Parks & Recreation, and Department of C		
	obtain non-dealer auto and truck parts for vehicle maintenance.		
	In an effort to minimize down time due to waiting on parts, both Parks and Public Works requested multiple		
	vendors be awarded contract. Historically, there have been occasions where the term and supply dealer doesn't		
	have the part the department needs in stock, which delays the repair and often costs more. By having multiple		
	vendors, this will provide a greater chance of finding the part in stock so that the repair can be done.		
	Pursuant to Section 1030.4 of the Jackson County Code, the Director of Finance and Purchasing recommends the award of a Twenty-Four Month Term and Supply Contract for the furnishing of Auto/Truck Parts (Non-Dealer)		
	to NAPA - Genuine Parts Company of Atlanta, GA, under the Terms and Conditions set forth in National Joint		
	Powers Alliance (NJPA) Contract No. 031212, a competitively bid government contract.		
	The Director of Finance and Purchasing recommends the purchase made under this contract due to higher		
	volume discounts offered to larger government entities.		
	This award is made on an "As Needed" basis and does not obligate Jackson County to pay any specific amount.
