RE:

Recommendation for I.T. High Speed Internet RFP 31-17

RFP 31-17 was sent out seeking proposals for a High Speed 1 Gb Internet Connection to be installed for use by all County Departments. The results from awarding this bid will be the ability to use the expanded bandwidth for County business as well as Office 365 and other in the Cloud Web Applications.

The County received five responses from AT&T, Consolidated Communications, Spectrum, United Private Networks, and Windstream.

The review of the responses was performed by the staff of the County IT Department.

After the review of the proposals, we recommend that the County award the bid to Unite Private Networks. This recommendation is based upon an overall review of the proposals in which we rated each vendor's proposed method of performance, vendors experience and reliability, and pricing. Unite was the low bidder for the RFP. The award will be for three years with two twelve -month options to extend.

The cost of the Unite bid is \$12,612.00 per year plus any applicable taxes. Estimated taxes based on the taxes the County is not exempt from on its communication lines is estimated at \$1,000.00 per year for a total cost of \$13,612.00 per year.

Please accept this as the County IT Departments recommendation to award this RFP bid to United Private Networks.

This contract should be charged to account 001-5101-56430.
