<p>REQUEST SUMMARY</p>	<p>Jackson County, with Cass, Clay, Platte and Ray Counties has formed a Local Emergency Planning Committee (LEPC) under the provision of the local LEPC Right to Know Act of 1986. Each county receives grants from the Missouri Emergency Response Commission in accordance with Missouri's Emergency Planning Committee Right to know Act (RSMo 292.600 to 292.625) to be used for programs which support the LEPC's Hazardous Materials planning , training and related activities.</p> <p>As a member of the LEPC, the County has entered into an agreement with Mid America Regional Council (MARC) to provide administrative and technical assistance to carry out the scope of work developed for the aforementioned grants. The attached Agreement for Services with MARC and Mid America Regional Council LEPC adequately sets out the rights and obligations of LEPC and MARC.</p> <p>This resolution seeks authorization for the County Executive to execute this agreement for Services with the MARC Local Emergency Planning Committees (LEPC) and the Mid America Regional Council at no cost to the County</p>

Fiscal Information (to be verified by Budget Office in Finance Department)

- This expenditure was included in the annual budget.
- Funds for this were encumbered from the _____ Fund in ____.
- There is a balance otherwise unencumbered to the credit of the appropriation to which the expenditure is chargeable and there is a cash balance otherwise unencumbered in the treasury to the credit of the fund from which payment is to be made each sufficient to provide for the obligation herein authorized.
- Funds sufficient for this expenditure will be/were appropriated by Ordinance #
- Funds sufficient for this appropriation are available from the source indicated below.

Account Number:	Account Title:	Amount Not to Exceed:

- This award is made on a need basis and does not obligate Jackson County to pay any specific amount. The availability of funds for specific purchases will, of necessity, be determined as each using agency places its order.
- This legislative action does not impact the County financially and does not require Finance/Budget approval.

AGREEMENT FOR SERVICES

by and between

JACKSON COUNTY,

the

MID-AMERICA LOCAL EMERGENCY PLANNING COMMITTEE

and the

MID-AMERICA REGIONAL COUNCIL

This Agreement, entered this 1st day of July, 2018, by and between Jackson County, the Mid-America Local Emergency Planning Committee, hereinafter referred to as the "LEPC" and the Mid-America Regional Council, hereinafter referred to as "MARC" for professional services.

WHEREAS, the following counties have cooperatively formed a local emergency planning committee under the provisions of the Emergency Planning and Community Right-to-Know Act of 1986:

The County of Cass, Missouri;

The County of Clay, Missouri;

The County of Jackson, Missouri;

The County of Platte, Missouri; and

The County of Ray, Missouri

WHEREAS, each county receives a grant from the Missouri Emergency Response Commission in accordance with Missouri's Emergency Planning and Community Right-to-Know Act (RsMO Sections 292.600 to 292.625); and

WHEREAS, these funds are to be used for programs which support the LEPC's hazardous materials planning, training and related activities; and

WHEREAS, MARC can provide administrative and technical assistance to carry out the scope of work developed for the aforementioned grant;

NOW THEREFORE, the parties to this Agreement agree as follows:

ARTICLE I

SCOPE OF SERVICES

MARC hereby agrees to fulfill the following scope of work in accordance with proposals submitted to the Missouri Emergency Response Commission and other state agencies with the oversight and assistance of the LEPC:

- A. Coordination and scheduling of monthly meetings and necessary subcommittee meetings, usually at the MARC offices, to discuss the LEPC's operation, activities, projects and issues which may affect the LEPC.
- B. Development and distribution of agendas for and summaries of the above meetings.
- C. Development and maintenance of a regional hazardous materials plan and assistance with the development of county hazardous materials plans or hazardous materials annexes to county emergency operations plans.
- D. Development of exercises to evaluate regional and local hazardous materials response capabilities.
- E. Sponsorship of hazardous materials and other training courses and coordination of hazardous materials training with the Missouri Emergency Response Commission, Missouri State Emergency Management Agency, Department of Public Safety, University of Missouri, and other entities offering hazardous materials training.
- F. Collection of Tier II forms and related information from facilities in each member county required to complete and submit these items and development of a database of chemical inventory and emergency contact information for these facilities.
- G. Operation and maintenance of an LEPC website.
- H. Development and management of a public education and awareness program.
- I. Completion of all reports and documentation necessary for the administration and operation of the LEPC.
- J. Coordination and integration of LEPC activities with those of other MARC emergency services committees and metropolitan area emergency services organizations.
- K. Other activities that are mutually agreed upon by the LEPC and MARC.

ARTICLE II

TIME OF PERFORMANCE

MARC shall provide the services described in Article I for the period commencing July 1, 2018 through June 30, 2019. The time and services of this Agreement may be extended or amended by Addendum hereto, containing the signatories of the parties and an identification of the extension period including any other amendments to the original Agreement.

ARTICLE III

CONSIDERATION

In consideration of the services provided by MARC and described in Article I, Jackson County and the LEPC authorize MARC to administer the FY 2018-2019 grant of approximately \$63,311.00 and any carryover funds from previous years as well as, any additional funds that may be competitively awarded from the Hazardous Materials Emergency Preparedness (HMEP) fund required to carry out the scope of work specified in this Agreement and as listed in Attachment 1, FY 2018-2019 LEPC Budget. It is the parties' understanding that the State of Missouri will provide the LEPC with approximately \$63,311.00 from the state's CEPF to be used as resources for the operation of the LEPC and its programs and activities, consistent with the terms and conditions placed on the counties by the Missouri Emergency Response Commission and as directed by the LEPC at their regular meetings. Any additional HMEP funds to be awarded to the Mid-America LEPC to support training activities will also be used according to the terms of this agreement. MARC agrees to provide detailed records of revenues and expenses associated with the performance of this Agreement. All expenditures will be consistent with CEPF and HMEP budgets approved by the LEPC.

ARTICLE IV

TERMINATION OR SUSPENSION OF AGREEMENT

This Agreement will terminate on June 30, 2019 unless extended by Addendum hereto as provided in Article II. However, if for any justifiable reason any party wishes to terminate this Agreement prior to the completion of the time of performance, this may be done by serving thirty (30) days notice upon the other parties. Payment for services shall be pro rata to the term of the Agreement and to the work effort completed.

ARTICLE V

EQUAL EMPLOYMENT OPPORTUNITY

Jackson County, the LEPC and MARC attest that they do not now, nor shall they discriminate against any employee who is employed in the work covered by this Agreement or against any applicant for such employment, due to race, color, religion, sex, age, handicap, or national origin.

IN WITNESS WHEREOF, the parties have executed this Agreement on the 1st day of July 2018.

LEPC/D 2018 Activities, Goals and Objectives

Based on the list of activities eligible for funding through CEPF (RSMO 292.606), describe the LEPC/D's activities, goals and objectives with respect to the following: if you click on the "click here to enter text" below, it will become an expandable document. Please tell us about the LEPC activities, the goal for that activity, and how money will be spent on that activity (See attached funding guidelines for further suggestions.)

Activity and Goal Description
<p>Activity: Contingency Planning for Chemical Releases</p> <p>Goal(s): Review and update LEPC Hazardous Materials Plan. Review current LEPC plan to include the hazard analysis section with an emphasis of chlorine and ammonia to incorporate items from last year's tabletop exercise and update the LEPC Plan where appropriate with this information. Evaluate the locations of facilities with ammonia and chlorine and the steps for prevention of and response to a release of these materials. Continue outreach to EHS/RMP facilities in the metro area to raise awareness of their responsibilities under EPCRA, the availability of the LEPC Plan, and to invite participation in the LEPC.</p>
<p>Activity: Exercising, Evaluating, and Distributing Plans</p> <p>Goal(s): conduct a table top exercise with fire, hazmat, selected RMP/EHS facilities, private hazmat response companies, emergency managers, and state and community partners on emergency response to an ammonia or chlorine release incidents. Select Exercise Design Team, conduct initial planning meeting for table top exercise; objective of the exercise is to test the LEPC plan notification procedures in response to a significant chlorine or ammonia hazardous materials incident and the communications to those potentially impacted. Conduct table top exercise planning and design. Conduct table top exercise. Conduct after action conference; complete and distribute AAR/IP.</p>
<p>Activity: Providing Training Related To Chemical Emergency Preparedness And Prevention Of Chemical Accidents</p> <p>Goal(s): To provide training to appropriate agencies in the LEPC area so they can safely respond to a hazardous materials incidents based on their level of capability; To ensure that the area hazmat teams increase/maintain their proficiency and are able to interoperate across jurisdictions Continue to convene the LEPC training subcommittee to assess training needs, identify available training, host trainings and secure trainings sites. Training is done in a way that increases interoperability between the various teams and helps develop leaders i.e. attendance from each team at the IAFC training conference in 2018. Coordinate efforts with the MERC - Host speakers on hazmat related topics including lessons learned.</p>
<p>Activity: Processing Information Submitted By Facilities and Identifying Facilities to Report</p> <p>Goal(s): Design, set up and implement a program to make key information from facilities that house hazardous materials available to first responders on mobile devices addressing security and access considerations and coordinating with the MERC. Establish a systematic process for the review and processing for facility plans (spill contingency, hazardous waste disposal, etc.) received at the LEPC with the goal of ensuring the local fire department is aware of and has received the plan and that the facility is included in the plan if appropriate. Incorporate that information into computer application for responders. Establish focus group to test application. Pilot application with focus on EHS/RMP Chemical Facilities. LEPC Planning subcommittee develops and implements a process for plans received at the LEPC to ensure they get in the hands of appropriate agencies, that the appropriate agencies and facility emergency coordinators are listed, and that plans are review for accuracy, risk, and additional information.</p>
<p>Activity: Receiving And Handling Emergency Notifications Of Chemical Releases</p> <p>Goal(s): Ensure appropriate emergency response agencies receive required notifications of chemical releases Work with area fire departments to gather information on number of initial notifications received from facilities of a spill with the potential for offsite consequences. Communicate with regulated facilities the need to provide written follow up to the LEPC. Establish a way to be notified by the fire department after an emergency notification has occurred. LEPC Leadership follows up on spill notifications to ensure new process is working and will identify participants for a Spill Reporting Responder/Industry Panel Discussion at an LEPC Meeting</p>
<p>Activity: Operating A Local Emergency Planning Committee</p> <p>Goal(s): Sustain the LEPC as a mechanism for developing capacity to respond to hazardous material incidents and educating the public about chemical risks and protective actions Maintain membership and contact information- Meet regularly to maintain and build relationships between industry, emergency response agencies and other community partner to identify & manage expectations, identify resources and discuss hazmat related topics -Review LEPC bylaws and business processes in light of lessons learned from incidents to improve preparedness and response -Educate members on regulatory changes as they occur. LEPC will co-sponsor a</p>
