EXECUTIVE OFFICE

Mr. Frank White
Jackson County Executive
415 E. 12th Street, 2nd Floor
Kansas City, MO 64106

APR 08 2019

Dear Mr. White,

Each year the Mid-America Local Emergency Planning Committee (LEPC) applies to the Missouri Emergency Response Commission (MERC) for funding to support the operation of the LEPC. As part of the application package, all agreements with participating counties must be updated and County Commissioners must sign the application form.

Please sign both copies of the enclosed agreements, compliance certification forms, and membership rosters and return to MARC by May 1, 2019. Address these documents to the Mid-America Regional Council, 600 Broadway, Suite 200, Kansas City, MO 64105, Attention: Mr. John Davis. We will forward you an original once all of the signatures are obtained. The LEPC Chair will sign off on final applications submitted to the state.

LEPC funding in Missouri is from the State's Chemical Emergency Preparedness Fund (CEPF) grant. The Mid-America LEPC is eligible to receive an estimated \$60,500 in CEPF funds. Jackson County's portion of this allocation is approximately \$30,690 which is financed by fees from facilities using, storing or producing hazardous materials above certain thresholds. Historically, there are approximately 611 facilities in Jackson County that file required chemical reports and paid fees. Payment will be sent from the Missouri Emergency Response Commission to your county. Please forward this upon receipt and payable to the Mid-America LEPC, c/o MARC.

In closing, please do not hesitate to contact me if you have questions by phoning 816-701-8390 or by emailing elynych@marc.org. Thank you very much for your assistance with this application. We appreciate your support of the Mid-America LEPC and look forward to working with your jurisdictions and emergency services agencies.
