

COOPERATIVE AGREEMENT
(Family Therapy)

THIS AGREEMENT, made by and between **JACKSON COUNTY, MISSOURI**, a Constitutional Home Rule Charter County of the First Class of the State of Missouri, hereinafter referred to as "the County" and a Missouri not-for-profit corporation, **OPERATION BREAKTHROUGH, INC. 3039 TROOST KANSAS CITY, MO 64109**, hereinafter referred to as "Organization".

Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt

of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation Of Funds**. Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict Of Interest**. Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability**. If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

12. **Indemnification**. Organization shall indemnify, defend and hold the County harmless from any and all claims, liabilities, damages, and costs (including reasonable attorney's fees directly related thereto) including but not limited to violation of civil rights and/or bodily injury to or death of any person and for damage to or destruction of property if and to the extent caused by the negligence, willful misconduct or omissions of Organization during the performance of this Agreement.

13. **Insurance**. Organization shall maintain the following insurance coverage during the term of this Agreement.

non-owned, or hired vehicles, each in a combined single limit of One Million Dollars (\$1,000,000) each occurrence for bodily injury and property damage liability.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2020, and shall continue until December 31, 2020, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care**. Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: The primary goal in providing wrap-around services to our families has always been to create a streamlined, seamless framework for individuals to access mental health and other services offered. However, instead of a "pipeline" style design, we have developed a four-tiered model designed to engage individuals within our target population, identify needs, provide services, and access external resources. This system empowers staff to engage members of the target population from multiple directions/vantage points, while keeping a client-centered focus. The Pyramids describe specific modalities used for each tier of service and the pathway from one tier to the next. The four service tiers are: • **Prevention:** Aims to engage the target population on an introductory level by providing access to concrete supports in times of distress and/or crisis. Additionally, individuals are assessed and/or referred for intervention services based on need or request. • **Intervention:** Provides foundation level mental health and supportive services while introducing individuals to an immediate mental health community of peers. Delivers initial services required for knowledge acquisition and behavior change. • **Intensive Services:** Offers individualized mental health treatment designed to address specific needs as identified by assessment, diagnosis, and/or treatment goals and agreed upon by the client and provider. • **External Referrals:** Ensures the highest quality, maximum amount of support is delivered to individuals and families beyond the capacity of Operation Breakthrough. An additional key contributing feature to increased, sustained participation is a result of our dedication to minimizing and/or removing as many external barriers as possible: extending childcare hours to include our evening programs, providing home-cooked meals to participants and their children, providing transportation assistance as needed/available, etc. In addition to barrier removal, we have cultivated a climate of safety, positive relationships, and relevant curricula that has enabled us to eliminate the use of incentives for engagement and/or participation in services.

Describe the benefits of this program to Jackson County Missouri: By expanding our broad menu of preventive and treatment services to parents/caregivers, including expectant mothers and mothers with perinatal infants, Operation Breakthrough is proactively working to establish and strengthen protective factors at the earliest possible intervention stage to mitigate the long-term effects stemming from known risk factors and ACEs. Long-term benefits will help weaken or eliminate cyclical patterns that often lead to intergenerational transmission of toxic stress. In addition, pro-active efforts by OB therapists to engage with parents who have children ages birth to 3 to offer Family Therapy services for these parent-child units as early as possible are intended to decrease the potential negative impact of known risk factors associated with child abuse and neglect.

Describe target population to be served: Families enrolled at Operation Breakthrough are known to be exposed to many risk factors including poverty, level of parental education, housing instability, family size, neighborhood and/or domestic violence, parental ACE score, forced separation of the family unit, and adult mental illness in the home. Our 2018 Family Survey showed 81% of OB families are African-American and 76% live more than 50% below the federal poverty level, on incomes averaging less than \$1,000/month. About 97% of families are headed by single women; 60% have no education beyond high school or a GED certificate; only 2% are college graduates. Although 66% are currently working, over 60% reported having full-time jobs. Nine percent are enrolled in school or job training and 15% are actively looking for work; others are unable to work due to homelessness, mental health and/or substance abuse issues. Most are struggling to raise children with very few skills or meager resources. All live in Kansas City's urban core, primarily in five zip codes surrounding our facility at 31st St. & Troost Ave., including 64109, 64110, 64127, 64128 and 64130.

What are the qualifications for participants: All parents and/or caregivers of at-risk youth enrolled at Operation Breakthrough are eligible to participate in preventative wrap-around family services. Participation is voluntary and services are provided at no cost to the consumer. All Adult Services provided at OB are client-centered and consumer-driven. The four-tier service delivery model, "open door" policy, and multiple open-format group sessions allow therapists to be flexible and accommodating to various schedule conflicts and/or participation barriers.
