Further, Organization shall sign an affidavit, attached hereto and incorporated herein as Exhibit B, affirming that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services.

7. **Audit.** The parties agree that the County may, for any reason and at any given time, examine and audit the books and records of Organization pertaining to this Agreement. Further, Organization agrees to establish and adopt such accounting standards and forms as recommended by the County prior to receipt of the County's first distribution of funds under the terms of this Agreement. The forms used to document expenditure of these funds may be changed from time to time by the County.

8. **Default.** If Organization shall default in the performance or observation of any

covenant, term or condition herein contained to be performed by Organization, the County shall give Organization ten days written notice, setting forth the default. If said default shall continue and not be corrected by Organization within ten days after receipt of notice from the County, the County may, at its election, terminate this Agreement and withhold any payments not yet made to Organization. Said election shall not, in any way, limit the County's rights to sue for breach of this Agreement.

9. **Appropriation of Funds**. Organization and the County recognize that the County intends to satisfy its financial obligation to Organization hereunder out of funds annually appropriated for that purpose by the County. County promises and covenants to make its best efforts to appropriate funds in accordance with this Agreement. In the event no funds or insufficient funds are appropriated and budgeted, or are otherwise unavailable by any means whatsoever for payment due hereunder, County shall immediately notify Organization of this occurrence and this Agreement shall terminate on the last day for which appropriations were received, without penalty or expense to the County of any kind whatsoever, except as to the portions of the payment amounts herein agreed upon for which funds shall have been appropriated and budgeted or are otherwise available, or at any time after the last date that County has paid for the Services, if earlier.

County further agrees:

A. That any funds authorized or appropriated for services rendered under this Agreement shall be applied to the payments hereunder until all such funds are exhausted.

B. That County will use its best efforts to obtain authorization and appropriation of such funds including, without limitation, the inclusion in its annual budget, a request for adequate funds to meet its obligation under this Agreement in full.

10. **Conflict of Interest.** Organization warrants that no officer or employee of the County, whether elected or appointed, shall, in any manner whatsoever, be interested in or receive any benefit from the profits or emoluments of this Agreement.

11. **Severability.** If any covenant or other provision of this Agreement is invalid, or incapable of being enforced by reason of any rule of law or public policy, all other conditions and provisions of this Agreement shall, nevertheless, remain in full force and effect; and no covenant or provision shall be deemed dependent upon any other covenant or provision unless so expressed herein.

C. Organization agrees to provide the County with certificates of insurance evidencing the above described coverage prior to the start of Services, and annually thereafter, if required by the County. Such certificates shall provide that the applicable insurance policies have been endorsed to provide a minimum of thirty days advance notice to the County in the event of cancellation, non-renewal, or reduction in limits by endorsement.

14. **Term.** The term of this Agreement shall commence January 1, 2021, and shall continue until December 31, 2021, unless sooner terminated pursuant to paragraph 8, 15, or 19 hereof. If this Agreement is terminated by either party, the County shall pay only for those services actually performed by Organization as verified by the County's audit.

15. **Termination.** This Agreement may be terminated for any reason or no reason by either of the parties upon thirty (30) days' written notice to the other party's designated fiscal representative. All services and payments shall continue through the effective date of termination. Termination of this Agreement shall not constitute a waiver of the rights or obligations which the County or Organization may be entitled to

receive as provided in this Agreement, or be obligated to perform under this Agreement for services prior to the date of termination. Should this Agreement terminate, all County written materials of any kind must be delivered and returned by Organization to the County within ten (10) days of the termination of this Agreement.

16. **Standard of Care.** Organization shall exercise the same degree of care, skill, and diligence in the performance of the Services as is ordinarily possessed and exercised by professionals operating under similar circumstances.

Community Infrastructure

Other organizations in the community that provide the same or similar services as your organization.

Rainbow Center and Sherwood Center provide day services programs, but DPI is the only organization in the community that provides high-need medical services to its population.

Compare your programs and results to others working in the same field.

DPI is the only day services program in the region for those with DD and high medical needs, and all participants are satisfied with services according to a survey conducted during ISP meetings. DPI has a broad reach and multiple points of access across Jackson County with locations in Lee's Summit, Independence, and Kansas City. DPI maintains a waiting list of approximately 70 people, which is an indicator of the need and reputation for our services within the community.

List all partnerships you have with other organizations along with the nature of the partnership.

Kansas City Regional Office of the Department of Mental Health Division of Developmental Disabilities and area school districts: provide service information to those with DD nearing the age of 21. Before the pandemic, Rockhurst University's occupational therapy program and William Jewell's nursing school conducted rotations for clinicals at DPI's Kansas City site. DPI works with local rotaries and optimist clubs to provide meaningful volunteer opportunities for their members.

Date Program was Initiated: 2010

What time period does this program run: All Year

Provide program description: DPI provides services Monday-Friday throughout the year from 7:00 a.m. to 8:00 p.m. at its Kansas City site with virtual services for those who cannot visit in person due to the COVID-19 pandemic. The day services program focuses on the mind, body, and spirit and lets people develop their skills in areas like self-care, activities of daily living, and socialization. DPI's on-site medical staff oversee supports like medication dispensation, tube feedings, and comprehensive medical assessments that help participants maintain and improve their health.

Describe the benefits of this program to Jackson County Missouri: JCOA funding is requested to support a case coordinator who connects with families of participants both on- and off-site to make sure they have needed meals, transportation, and medical support. DPI's Kansas City site is providing essential services to Jackson County residents with DD amid the COVID-19 pandemic, increasingly connecting participants to basic needs like food and medication. Video calls are more effective than phone calls for connecting with our population, but internet bandwidth or technical know-how is an issue for many families which makes home visits necessary.

Describe target population to be served: DPI participants are adults, ages 21-64, with severe or profound developmental disabilities living in Jackson and Clay counties in Missouri. Many participants have complex co-occurring medical conditions (type II diabetes, gastroesophageal reflux disease, seizures, and colitis) that must be monitored and addressed throughout the day. 80% of individuals served require one-on-one attention during meals, and over one-third of individuals require daily medication administration.

What are the qualifications for participants: DPI participants are adults, ages 21-64, with severe or profound development disabilities living in Jackson and Clay counties in Missouri.

Identify the community need for your organization's program and services in Jackson County.

From 2010 to 2018, the number of Jackson County adults with a cognitive disability has grown over 16% compared to 5% growth among adults without a cognitive difficulty (US Census 1-year estimates). 72% of Missourians with DD live with a family caregiver (State of the States in Developmental Disabilities). Day services are crucial for connections and progress toward personal goals. People with DD are more likely to have serious health issues than people without disabilities, making day service providers that can accommodate significant health issues a vital community resource.
