Request to award a thirty-six month contract for POTS (non-VOIP) telephone line service with AT&T Kansas City, Missouri as a sole source purchase.

Request Summary
<p>The Information Technology Department requests the award of a thirty-six month contract for POTS (non-VOIP) telephone line service to AT&amp;T of Kansas city, Missouri as a sole source purchase. AT&amp;T is the sole owner and telecommunications provider of the lines leading onto County property. Pursuant to Jackson County Code, Chapter 1030.1, "Competitive bidding shall not be required when the items to be purchased can be obtained from only one source." By committing to a thirty-six month contract we are able to save the taxpayers of Jackson County a minimum of \$13,860 over the term of the contract. Future years funding shall be subject to appropriation.</p> <p>We are continuing our efforts to consolidate the management of enterprise technology solutions into the IT department.</p> <p>We plan to include subsequent years costs for this contract within the IT budget. The funds for this service is currently budgeted in the Parks and Recreation Department. They will continue to pay the costs of this contract through the end of the 2021 fiscal year.</p>
