IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

A RESOLUTION awarding a contract for the maintenance of the parcel management software for use by the Geographic Information Systems Department to Novalis Technology of Charlotte, North Carolina, at an actual cost to the County of \$10,465.00, as a sole source purchase.

RESOLUTION # 14970, April 12, 2004

INTRODUCED BY Ronald E. Finley, County Legislator

WHEREAS, Section 1040.1 of the Jackson County Code, 1984, eliminates the requirement for competitive bidding when items to be purchased can be obtained from only one source; and,

WHEREAS, Section 1063.00, Jackson County Code, 1984, requires notification of and approval by the Legislature on sole source purchases exceeding \$5,000.00; and,

WHEREAS, the Purchasing Director recommends a contract with Novalis Technology of Charlotte, North Carolina, for the maintenance of the parcel management software for use by the Geographic Information Systems Department; and,

WHEREAS, the Purchasing Director further recommends that he not take competitive bids with regard to said contract for the reason that Novalis Technology of Charlotte, North Carolina, is the only vendor capable of providing maintenance for its proprietary parcel management software; therefore, BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that the purchase be made as recommended by the Purchasing Director, and that the Purchasing Director be, and is hereby, authorized to execute for the County any documents necessary to the accomplishment of the purchase; and,

BE IT FURTHER RESOLVED that the Director of the Department of Finance is authorized to make all payments, including final payments on the contract.

Effective Date: This Resolution shall be effective immediately upon its passage by a majority of the Legislature.
