IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI
AN ORDINANCE repealing Ordinance 2549, dated June 17, 1996, authorizing the exemption of the positions of pretrial clerk, pretrial officer, and pretrial unit supervisor, all within the Office of the County Counselor, from the provisions of the Merit System, and amending Schedule V to Chapter 2, Jackson County Code, 1984, relating to the salaries of non-merit employees.
ORDINANCE 2628, January 29, 1997

INTRODUCED BY Victor E. Callahan, County Legislator
WHEREAS, a key feature of the County's plan to reduce crowding in the Jackson County Detention Center, approved by the United States District Court in Hall v. Jackson County Department of Corrections, Case No. 84-1200-CV-W-1, is the implementation of an enhanced pretrial services program; and,

WHEREAS, this program will allow the county to more closely supervise more criminal defendants awaiting trial, defendants who otherwise might have to be confined in the detention center; and,

WHEREAS, it was originally anticipated that the Missouri Division of Probation and Parole would operate this program for the county, which arrangement was approved by the Legislature pursuant to Ordinance 2549, dated June 17, 1996; and,

WHEREAS, it now appears that the County and Division will be unable to formalize a contract for the program, due to certain legal and budgetary restrictions upon the state; and,

WHEREAS, it remains incumbent on the County to move forward with the program to remain in compliance with the federal court order; and,

WHEREAS, the required new positions best fit into the County's organizational structure in the office of the County Counselor, where they will be supervised by the County's Population Control Administrator; and,

WHEREAS, due to the close involvement these positions will have in the judicial process as well as their role in the County's litigation strategy in Hall v. Jackson County Department of Corrections, the County Executive has requested that these three positions be exempt from the provisions of the Merit System; and,

WHEREAS, at its meeting of January 24, 1997, the Merit System Commission considered this request and, pursuant to Article IX, 21 of the Constitutional Home Rule Charter of Jackson County, has recommended these exemptions to the Legislature; and,

WHEREAS, since these positions are new for 1997, it is necessary for the Legislature to establish salary ranges for the positions pursuant to Article II, 16(15) of the Charter and 287. of the County Code; and,

WHEREAS, the personnel director recommends that these positions be assigned similar salary ranges to comparable positions within the Missouri Division of Probation and Parole; and,

WHEREAS, the adoption of this ordinance is in the best interests of the health, welfare, and safety of the citizens of Jackson County; now therefore,

BE IT ORDAINED by the County Legislature of Jackson County, Missouri, that, pursuant to Article IX, 2 of the Charter, the exemption of the positions of pretrial clerk, pretrial officer, and pretrial unit supervisor, all within the Office of the County Counselor, from the provisions of the Merit System, be and hereby is authorized; and,

BE IT FURTHER ORDAINED that Schedule V to Chapter 2, Jackson County Code, 1984, be and hereby is amended as reflected on the attachment; and,

BE IT FURTHER ORDAINED that Ordinance 2549, dated June 17, 1997, be and hereby is repealed.
