IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

A RESOLUTION awarding a contract for the furnishing of maintenance on microfilm equipment for use by the Records Department to Danka Industries/Dynamic Computer Solutions of Kansas City, MO, at a cost to the County not to exceed \$7,040.00, as a sole source purchase.

RESOLUTION #11283, May 13, 1996

INTRODUCED BY John Patrick Burnett, County Legislator

WHEREAS, Section 1040.1 of the Jackson County Code, 1984, eliminates the requirement for competitive bidding when items to be purchased can be obtained from only one source; and,

WHEREAS, Section 1063.00 of the Code requires notification of and approval by the Legislature on such sole source purchases exceeding \$5,000.00; and,

WHEREAS, the Purchasing Director recommends a contract with Danka Industries/Dynamic Computer Solutions of Kansas City, MO, for the furnishing of maintenance on microfilm equipment for use by the Records Department; and,

WHEREAS, the Purchasing Director further recommends that he not take competitive bids with regard to said contract for the reason that Danka Industries/Dynamic Computer Solutions of Kansas City, MO is the only qualified supplier of maintenance on the type of microfilm equipment used by the Records Department in the Kansas City metropolitan area; therefore,
BE IT RESOLVED by the County Legislature of Jackson County, Missouri that the Purchasing Director be, and hereby is, authorized to execute for the County a contract with Danka Industries/Dynamic Computer Solutions of Kansas City, MO for the furnishing of maintenance on microfilm equipment for use by the Records Department, in an amount not to exceed \$7,040.00; and,

BE IT FURTHER RESOLVED that the Director of the Department of Finance is authorized to make all payments, including final payment on the contract thereby made.

Effective Date: This Resolution shall be effective immediately upon its passage by a majority of the Legislature.
