WHEREAS, the bids for parks work came in under the available funds and the Public Works and Parks and Recreation Departments desire to increase the contract award within the budgeted funding to pay for additional work and the contract provides for a liquid asphalt price adjustment with a \$50,000.00 cap to account for any variance in price for the liquid asphalt part of the project; and,

WHEREAS, in the event that line item adjustments to the contract become necessary, it is appropriate that the Director of Public Works be authorized to approve said line item adjustments to the extent there is no additional cost to the County; and,
