RESOLUTION #17198, March 8, 2010

INTRODUCED BY James D. Tindall, County Legislator

WHEREAS, Section 1030.1, Jackson County Code, 1984, eliminates the requirement for competitive bidding when items or services to be purchased can be obtained from only one source and requires notification of and approval by the Legislature on such sole source purchases exceeding \$25,000.00; and,

WHEREAS, the Director of Finance and Purchasing recommends the renewal of a maintenance

agreement from Information Technologies, Inc. of St. Louis, MO, for the furnishing of dispatch and investigations software maintenance for use by the Jackson County Sheriff's office, in the amount of \$36,711.00; and,

WHEREAS, the Director further recommends that he not take competitive bids with regard to said maintenance agreement for the reason that Information Technologies, Inc. of St. Louis, MO, is the sole provider and copyright owner of the dispatch and investigations software and maintenance program; now therefore,

BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that award be made as recommended by the Director of Finance and Purchasing and that the Director be and is hereby authorized to execute for the County any documents necessary for the accomplishment of the award; and,

BE IT FURTHER RESOLVED that the Director of Finance and Purchasing is authorized to make all payments including final payment on the contract, to the extent that sufficient appropriations to the using spending agency are contained in the then current Jackson County budget.
