WHEREAS, the County is authorized pursuant to the County's Constitutional Home Rule Charter (the "Charter") to contract and cooperate with any private person, firm, association, corporation, or foundation for the planning, development, construction, acquisition, or operation of any public improvement or facility and to rent or lease County properties upon such terms and conditions and for such periods of time as the legislature may provide; and,

WHEREAS, the Jackson County, Missouri, Public Building Corporation (the "Issuer"), is a nonprofit corporation organized under the Missouri Nonprofit Corporation Act, Chapter 355 of the Revised Statutes of Missouri, as amended, for the purpose of benefitting and carrying out the purposes of the County, by providing for the acquisition, construction, improvement, extension, repair, remodeling, renovation, and financing of public sites, buildings, facilities, furnishings, and equipment for the use of the County; and,

WHEREAS, the Legislature finds and determines that it is necessary and desirable for the County to lease to the Issuer certain real estate located within the geographic limits of the County (the "Project Site"); and,

WHEREAS, the Legislature further finds and determines that it is necessary and desirable that the County authorize the Issuer to (i) issue its Jackson County, Missouri, Public Building Corporation Leasehold Revenue Bonds (Jackson County, Missouri, Capital Improvements Project) Series 2005, in the aggregate principal amount of not to exceed \$28,000,000 (the "Bonds"), for the purpose of

providing funds to finance the costs to acquire, construct, reconstruct, renovate, furnish, and equip additional facilities located both on the Project Site (such Project Site and the project improvements located thereon referred to as the "Facilities") and elsewhere within the County, to acquire a surety bond to fund a debt service reserve fund and pay costs of issuance associated with the Bonds (collectively, the Project"); (ii) lease the Facilities to the County; (iii) enter into a Trust Indenture (the "Indenture"), with the trustee named therein (the "Trustee"), for the purpose of issuing and securing the Bonds, as therein provided, (iv) enter into a Site Lease (the "Site Lease") with the County under which the County will lease the Project Site to the Issuer; and (v) enter into a Lease Agreement (the "Lease") with the County under which the Issuer will cause the proceeds of the Bonds to be used as provided in the Indenture in consideration of rental payments by the County which are to be sufficient, during the Lease Term (as defined in the Lease), to pay the principal of, redemption premium, if any, and interest on the Bonds as the same become due; and,

WHEREAS, the Legislature further finds and determines that it is necessary and desirable in connection with the lease of the Project Site, the lease of the Facilities and the issuance of the Bonds that the County enter into certain contractual arrangements, and that the County take certain other actions and approve the execution of certain other documents as herein provided.
