RESOLUTION NO. 20883, February 22, 2022

INTRODUCED BY Tony Miller, County Legislator

WHEREAS, the American Rescue Plan Act of 2021 (ARPA), enacted by the U.S. Congress, provides for payments to local governments navigating the impact of COVID-19 outbreak from the Coronavirus State and Local Fiscal Recovery Funds; and,

WHEREAS, ARPA requires that these federal funds may be used only to cover expenses to respond to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19) or its negative economic impacts, including assistance to households, small businesses, and nonprofits, or aid to impacted industries such as tourism, travel, and hospitality; to respond to workers performing essential work during the COVID-19 public health emergency by providing premium pay to eligible workers of the State, territory, or Tribal/local government that are performing such essential work, or by providing grants to eligible employers that have eligible workers who perform essential work; for the provision of government services to the extent of the reduction in revenue of such State, territory, or Tribal/local government due to the COVID-19 public health emergency relative to revenues collected in the most recent full fiscal year of the State, territory, or Tribal government prior to the emergency; and,

WHEREAS, Jackson County's total allocation of ARPA funds is expected to be \$136,551,645.00, the first half of which was received in 2021, and the second half is expected later in 2022; and,

WHEREAS, in view of the restrictions placed on the use of these ARPA funds, by Ordinance 5574, dated November 20, 2021, the Legislature determined that these funds should be maintained in a separate County special revenue fund, to be designated the "American Rescue Plan Fund," and not commingled with the general or other special revenue funds of the County; and,

WHEREAS, Hope-Faith Ministries of Kansas City (Jackson County), MO, has applied for \$50,000.00 in County ARPA funds to assist it in responding to the negative economic impacts of COVID-19 in the provision of services; and,
