INTRODUCED BY Bill Petrie, County Legislator

WHEREAS, the Missouri Highway and Transportation Commission has received an application for and is considering the incorporation of a transportation corporation to be known as the "Westside Intermodal Transportation Corporation" and approval of the construction of a grade separation, to be known as the "Argentine Connection" and a major rehabilitation of the Kansas City Terminal Highline Bridge and elevated approaches; and,

WHEREAS, the area included in the construction of the Argentine Connection Project is a portion of the Kansas City Terminal Railway west of the Union Station, extending to the Missouri/Kansas state line, which would create a double-track connection into the Burlington Northern and Santa Fe Argentine yard from the Kansas City Railway trackage, located in Jackson County, Kansas City; and,

WHEREAS, the area included in the major rehabilitation of the Kansas City Terminal Highline Bridge Project is a portion of the Kansas City Terminal Railway of Union Station, also extending to the Missouri/Kansas state line, located in Jackson County, Kansas City; and,
