### IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

**AN ORDINANCE** submitting to the qualified voters of Jackson County, Missouri, at the general election to be held on November 5, 2002, a question approving a retail sales tax of one-eighth (1/8) of one cent for the support of cultural facilities and organizations within the Kansas and Missouri Metropolitan Culture District.

**ORDINANCE 3280**, August 12, 2002

**INTRODUCED BY** Scott Burnett, County Legislator

WHEREAS, the legislatures of Kansas and Missouri have each enacted the Kansas and Missouri Metropolitan Culture District Compact, codified at K.S.A. 12-2536 et seq. and sections 70.500 et seq., RSMo, as amended, which was approved by the 103<sup>rd</sup> United States Congress in 1994, pursuant to United States House of Representatives Resolution 4896, creating the ability of certain counties in Kansas and Missouri to form a metropolitan culture district, and which Compact was amended in the 90<sup>th</sup> General Assembly in Missouri in 2000 and which amendments were approved by the United States Congress; and,

WHEREAS, the citizens and voters of Jackson, Clay, and Platte Counties in Missouri and Johnson County in Kansas approved the creation of a metropolitan culture district and a retail sales tax of one-eighth (1/8) of one cent a levy for the purpose of restoring Union Station and the creation of a science museum at Union Station on November 5, 1996, to terminate upon the collection of \$118,000,000 from the District; and,

WHEREAS, the restoration of Union Station and development of a science museum were successfully completed and the tax therefor did terminate on March 31, 2002; and,

WHEREAS, the restoration of Union Station and construction of Science City represented an historic opportunity for cooperation among the citizens of the metropolitan area served by the District; and,

WHEREAS, the Legislature has determined that it is in the best interest of the citizens of the county that the renewal of a tax for the financial support of the District on a cooperative basis with other counties would be economically practical and cost beneficial to the citizens of the County; that it is desirable to fully improve the cultural facilities, coordinate the services of cultural organizations, enhance the cultural activities of the citizens, and achieve solid financial support for such cultural facilities, organizations, and activities, thereby serving the best interests of the citizenry and effecting economies in capital expenditures and operational costs; and,

WHEREAS, the citizens of the participating counties should be given the opportunity to vote upon the renewal of a retail sales tax for the metropolitan culture district; now therefore,

**BE IT ORDAINED** by the County Legislature of Jackson County, Missouri, as follows:

Section 1. Subject to approval by the voters of the County, the levy of a retailers' sales tax in the amount of one-eighth (1/8) of one cent for financing the District is hereby authorized for and within Jackson County, Missouri;
