- e. The organization must be governed by a volunteer board of directors serving without compensation.
- f. The organization must not contribute funds collected from the Jackson County, Missouri Combined Charities Campaign to any political advocacy group.
- g. The organization must ensure that its promotional activities and printed materials are based upon actual program operations and are truthful, non-deceptive, and include all material facts relative to its cause.
- h. The organization must ensure that its publicity and promotional activities protect against unauthorized use of its contributor lists.
- i. The organization must provide its most recent IRS Form 990. If total funds raised in the preceding year equal or exceed \$100,000.00, the organization must also provide its most recent financial audit by an independent certified public accountant.

- j. Each labor organization which has been recognized by the County as representing a bargaining unit of County employees may designate one charitable agency that is closely associated with that labor organization and meets all of the other criteria of this subsection to participate in each year's Combined Charities Campaign.

The CEO or director of the organization applying to participate as a federation or fund must certify that the federation/fund and its member organizations meet the applicable criteria.
