IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

A RESOLUTION transferring \$1,522,693.97 within the 2023 E-911 System Fund and authorizing the Director of Finance and Purchasing to issue a check in the amount of \$1,522,694.00 for the replacement of the KCPD Unified Computing System to the Kansas City Missouri Police Department.

RESOLUTION NO. 21366, August 14, 2023

INTRODUCED BY Sean E. Smith, Manuel Abarca IV, Donna Peyton, and Megan L. Marshall, County Legislators

WHEREAS, the citizens of Jackson County have a need for the emergency 911 system currently operated by the Kansas City Police Department (KCPD); and,

WHEREAS, the KCPD has a computer system, the KCPD Unified Computing System (UCS), that enables KCPD's Communications Unit 911 CAD system; and,

WHEREAS, the KCPD UCS had a recommended five-year lifespan that was purchased ten years ago; and,

WHEREAS, there is a risk of failure to the system that could cause the shutdown of the Communications Unit 911 CAD system; and,

WHEREAS, a failure could be detrimental and result in a potential safety risk to not only community members who need police response, but also to the responding officers, and a recent failure of the system demonstrated this weakness by requiring call takers to handwrite 911 requests and hand them to dispatchers for emergency response; and,

WHEREAS, the Kansas City Missouri Police Department (KCPD) is respectfully requesting funding from Jackson County for the immediate need and replacement of the KCPD's Unified Computing System; and,

WHEREAS, as of July 31, 2023, a total of \$2,404,926.00 remains available in the FY 2023 allocation for improvements to the County 911 System; and,

WHEREAS, Jackson County has the funding available to purchase new equipment for the KCPD's UCS to ensure the integrity of the 911 system; now therefore,

BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that the following transfer be and hereby is made:
