IN THE COUNTY LEGISLATURE OF JACKSON COUNTY, MISSOURI

A RESOLUTION supporting a deer management plan implementation by the Director of the Parks Department as provided by Jackson County Code, in conjunction with the Missouri Department Conservation.

RESOLUTION 10311, May 10, 1994

INTRODUCED BY Robert Hertzog and Fred Arbanas, County Legislators

WHEREAS, under existing ordinance of Jackson County, the Director of the Parks Department has discretion to authorize implementation of plans to manage wildlife population in Jackson County Parks; and,

WHEREAS, the current deer population of Jackson County Parks is at least four times that recommended by Wildlife experts, including the Missouri Department of Conservation; and,

WHEREAS, the Missouri Department of Conservation has studied the deer population problem in Jackson County and has recommended to the Parks Department the implementation of certain management practices to control the deer population to insure humane treatment of the animals and protection of the public and the environment; therefore,

BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that Director of Jackson County Parks and Recreation Department is encouraged and supported in her efforts to implement a deer management plan for Jackson County Parks forthwith.
