RESOLUTION #15375, February 7, 2005

INTRODUCED BY Bob Spence and Dan Tarwater, County Legislators

WHEREAS, the construction on Colbern Road and other associated improvements and amenities on the property described hereinafter is provided for, authorized and recognized to be a public improvement and public use; and,

WHEREAS, the Department of Public Works advises the Legislature that it has, heretofore, conducted negotiations for the purchase of certain tracts of land for inclusion in the Colbern Road Project, No. 2411; that such properties were appraised and a value placed thereon which would fairly and reasonably compensate the owners thereof; that after such negotiations with the owners thereof, the Department of Public Works was unable to agree with the owners as to a fair and adequate compensation to be paid; and,

WHEREAS, the owners and general description of the tracts are as follows:

and,

WHEREAS, pending the acquisition of these lands by condemnation, the Director of Public Works or his designee is authorized to continue to negotiate for and purchase as much of this property out of funds appropriated or to be appropriated for that purpose; and

WHEREAS, upon consideration of the premises, the County Legislature of Jackson County, Missouri, at a regular meeting with a quorum of the Legislature being present, FINDS that Jackson County, Missouri, has endeavored to agree with the owners of the aforesaid described properties upon proper

compensation to be paid for such properties and rights sought to be purchased, but cannot so agree, and that public necessity requires the above described tracts of land to be acquired by the exercise of the power of eminent domain as provided by law and by the Jackson County Charter, for the purpose and use of Jackson County, Missouri, for public purposes, and it is to the public interest that same be so acquired; therefore,

BE IT RESOLVED by the County Legislature of Jackson County, Missouri, that the Office of County Counselor is authorized and directed to institute appropriate condemnation proceedings as may be necessary for the acquisition of such land by the exercise of the power of eminent domain and that the County Counselor is also authorized to withdraw said properties as are acquired by negotiation and purchase from condemnation proceedings.
